Ms.S.Bavatharane of M.Com. CA welcomed the participants and Dr.K.Sangeetha, Assistant Professor, Department of Commerce with Computer Applications, introduced the guest.

The Chief Guest, Ms. Umayal Subramaniam's speech on "Multiple Intelligence" was inspiring and motivating. In her simple and exemplary speech, she expressed that there are eight types of intelligence and the students try to find out what type of intelligence do they excel in. She said "An understanding of which type(s) of intelligence a student may possess can help teachers adjust learning styles, and suggest certain career paths for learners."

Self Analysis sheet was sent to the students.

This was followed by an interactive session with the students. Ms. J. Rakshita of M.Com. CA delivered the Vote of Thanks. There were 93 participants in the programme.

to expose students to relevant subjects and external experts from the media industry in order to improve their thinking process about media trends, particularly in photography and cinematography. Rovienna Jonathan is known for candid photography and cinematography. In her session, she gave a detailed note on the basics of photography, tips and tricks for creative mobile photography. To encourage the students and teach them the nuances of cinematography, she played few videos of hers. Students were impressed by the photos and videos shot by her. She also gave deep insights about pre-production, production and post production works of music videos. Towards the end of the programme students had a chance to clarify their doubts with the resource person.

REPORT

Focus on: Career Guidance

Outcome: Students gained a better understanding of trends in the new era and available opportunities for future career growth.

Department of Information Technology has organized a Guest Lecture related to career guidance on 27th May 2022. The Chief Guest **Mr. Puthumai A Nazarene, Delivery Head, Youth Employability Program, Tata Consultancy Services**, then shared various ideas and tips to guide the students for obtaining good job. It served as the eye-opening session for the students. He stressed on the presence of stiff competition in the outside world and how young students need to be prepared for various challenges. He also talked about how the youngsters need to be prepared for the changes that will be in store for them in the future. He explained how the students can take up programming to resolve issues that are faced while using other available software.

He also taught the students about developing themselves technically and approaching for a new job. Finally, he cleared the queries of our students.
