IQAC – Report on “Be a Champion”

INTERACTIVE SESSION FOR SPORTS STUDENTS

August 29, 2018

The IQAC along with the Mentoring facilitation committee organized an interactive session for the sportswomen on 29.8.2018. The topic was ‘Be a Champion’. This session was taken by Dr. Augustus Samuel Dodd. , M.S., MBA, Medical Superintendent, Grace Kennett Hospital, Madurai.

Apart from motivating the sportswomen to be a champion in life and sports, he gave a lot of practical suggestions for maintaining a healthy body. He also addressed the important issue of sports related injury and how to deal with it.

Mr. Doss the fitness trainer gave a comprehensive presentation on various healthy postures. He also advised the sportswomen on how to relax muscles and prevent injuries. The nutritionist Miss. Shalini spoke on the diet requisites for a sportswoman. She also gave an awareness on what constitutes a healthy diet.

The session was lively, interactive and informative. As a handful of staff voluntarily attended this session, the suggestion was that Dr. Dodd could address the general staff as well.

MENTAL HEALTH: SECRET TO HAPPINESS

DATE: 20.12.2018

TIME: 2.00PM- 4.00PM

VENUE: Fatima College, Madurai

The National Institute of Mental Health has a mantra, “No health without mental health.” However, due to the stigma that often surrounds mental health millions of people worldwide do not receive the help they need and often overlook this extremely prevalent health issue. According to the National Alliance on Mental Illness, in a given year, one in five, or 18.5% of Indian adults experience a mental illness. To emphasize on power of mental health, NSS Fatima College organized a special lecture on ‘Secret to Happiness’ in the premises of Fatima College. Rev. Dr. Sr. Francis Pauline addressed the volunteers about mental health. She briefed about, illnesses including depression and bipolar disorders, anxiety, schizophrenia, dementia, and eating disorders. She said that, depression is the number one cause of disability worldwide and is one of the most significant contributors to the global burden of disease, greatly impacting individuals and their families mentally, physically, socially, and financially. “Mental illness affects everyone no matter their race, gender, culture, age, ethnicity, or sexual orientation”, she added. She concluded that mental health is the secret to happiness which helps to reach the destination at an ease.

CHIEF GUEST PROFILE: Rev. Dr. Sr. Francis Pauline, Counselor, Fatima College

OUTCOME: The students learned the importance of mental health and learned how to keep a healthy mind.
