GUEST LECTURE - II

Name : MRS. BHUVANESWARI THIRUPPATHI
Designation : Assistant Manager Corporate Sales, Chennai
Phone No. : 9600950041
Topic : PERSONALITY DEVELOPMENT
Date : 31.07.2015
Time : 3.00 p.m - 5.00 p.m
Venue : Seminar Hall
Content :

The session was about the importance of communication and how to develop communication skills by reading newspapers and books, watching English movies and Dramas. She gave suggestions on improving our personality by developing communication skills.

Feedback :

We were able to understand that personality development is a lifelong process. It's a way for people to assess their skills and qualities, consider their aims in life and set goals in order to realize and maximize their potential. She also helps us to identify the skills we need to set life goals which can enhance our employability prospects, raise our confidence and lead to a more fulfilling, higher quality life.

QUALITY CIRCLE

2015-2016

VARIOUS PROBLEMS CHOSEN

The students found out various enhancements that can be made in the college campus to provide a better environment. They took up the issues like saving drinking water, saving electricity, proper disposal of waste, reducing traffic and facilitate parking facility, enhancing the emotional stability and general awareness concepts among the students, enriching the habit of speaking in English.

Each group named them uniquely like phoenix, Ulavarapanikuzhu, Enrichers etc and has taken different strategies to solve the respective problems they chose. The students are actively engaged in all their work and have produced good results

The 'Phoenix' took up the activity of reducing the wastage of drinking water. They pasted slogans and pictures that would make the students realize the importance of water. The wastage of water has also been considerably reduced.

The 'Ulavarapanikuzhu' took up the task of enhancing the motivation and confidence quotient in students by displaying the quotes of famous writers that would enable the students to grow up rationally.

The 'Enrichers' group handled the task of increasing the usage of English at the campus. They did the task of writing new words and phrases once in a week in all the black boards at all classrooms. Through this, the vocabulary of the students has increased.

The 'Thunders' took up the responsibility of reducing the wastage of electricity campaigned the students to switch off the fans and lights when not in use and also instructed the students to make it a practice. Now the students have got used to the habit of switching off the electrical appliances at classrooms when not in use.

Action Plan

Major: Tamil

Name: Uzhavarapanikuzhu

Problem : Increasing the General Knowledge & motivation in the students

As a part of fulfilling the problem of creating awareness about general knowledge among students the black boards that are in the campus are used. The short term goal of this group is to create the interest in General Knowledge among students and also to motivate them. The group has written quotes of various great persons like Swammi Vivekananda, Lenin and so on the 4 black boards in the campus. They have changed it twice in the month of October. They are planning to write General Knowledge questions on the boards in the upcoming month.

As per the action plan created by the group, the long term goals include conducting competitions for the students based on the quotes and from the questions that are written on the board in the previous months. The qc will also extend their work by writing the questions in every blackboard in the classrooms.

Major: English

Name: English Enrichers

Problem : making the students communicate in English

The English Enrichers group has targeted to achieve the goal of making the students communicate in English and make the campus an English speaking campus. As the initial step of their program they have displayed charts implying the importance of speaking English language and the reasons to speak in English. As the next step of their short term goal they are planning to read new English words in the intercom during prayer.

Their long term goal consists of plans like writing the vocabularies, expressions and phrases that can be used in the daily conversation on all the black boards in the classrooms. The long term goal also includes creating English hub in one corner of the campus for the students who have interest in speaking English to come together and meet and speak.

Major: Commerce

Name: Royal Commerce

Problem : Reducing the wastage of drinking water

The Royal Commerce group has taken the measures to reduce the wastage of water. They have taken the first step of pasting the slogans saying no to waste water and instructing to close the taps carefully. The students of this group have separated among themselves and take care of particular taps and water points in different places in the campus. They stand there at the time of break and at 1.00 to check and tell the students not to waste water.

As a part of their long term plan they have planned to paste pictures indicating the importance of water on all the water points. They have also decided to replace the damaged taps. This group has also planned to assess the, level of wasting water before and after taking these kinds of measures.

Content:

The Session taught us how to answer appropriately for the questions being asked in the interviews, the expected qualifications, attitudes, knowledge needed for the posts and also about the gestures, posters etc. The resource person gave us a brief idea on preparing a best resume and clarified our doubts about the points to be added in the resume. He also differentiated resume with curriculum vitae and bio-data. He instructed us how to prepare for interviews and the manner in which we have to answer. He explained about how to use English sentences in right way. He said about the stress interviews conducted before as examples. He said us not to tell or write our weakness explicitly.

Feedback:

- We were able to gain knowledge about the interviews conducted in the companies.
- The session was very informative to us and helped us to improve ourselves for facing the interviews.
