The functioning of SAILS is governed by its coordinators and committee members. Attendance and evaluation sheets are maintained to follow the remedial pedagogy. According to the periodical reports and feedbacks from the course teachers, a graph is maintained for each 'slow-learner' to monitor her progress. Further, push-up plans are formulated based on the improvement of the students.

**LEGAL AID CENTRE:** The Madurai District Legal Services Authority (MDLSA) has selected Fatima College as one of the Legal Aid Centres that would deal with the legal issues of the public in and around Fatima College. The Legal Aid Centre would function with the sole aim of allaying the apprehensions among common people about approaching the court and enabling them handle the same smoothly. Besides these, on every Wednesdays, a 'B' panel advocate and a paralegal volunteer would be available on campus for mediation, counselling and legal consultation. Many Fatimites students and people from near by villages get benefitted by the Legal Aid Centre. They also help them in getting important certificates such as OBC, Death and other Certificates in a hassle free manner.
