FATIMACOLLEGE(AUTONOMOUS),MADURAI–625018
PROGRAMME SPECIFIC OUTCOMES

NAME OF THE PROGRAMME: B.Sc MATHEMATICS   **PROGRAMME CODE:UAMA/USMA**

PSO1:	Gain broad knowledge and understanding in pure Mathematics and applications of Mathematics
PSO2:	Demonstrate a computational ability and apply logical thinking skills to solve problems that can be modelled Mathematically.
PSO3:	Read, understand, analyse and formulate Mathematical theorems.
PSO4:	Acquire proficiency in the use of technology to assist in learning and investigating, Mathematical ideas and in problem solving.
PSO5:	Communicate Mathematical concepts accurately, precisely and effectively with clarity and coherence both verbal and in written form
