## Assessment of the performance of Fatima College academic year 2021-2022

**Ars-HTA**  
Passion for Perfection

### Focus Areas on Improvements:

- ✓ While the College had the 74<sup>th</sup> NIRF ranking in 2020, it had slipped to the band of 100-150. This needs introspection as 50 was the goal post that was envisioned. Team needs to identify the slips and get to the top 50 slot going forward.
- ✓ Women Empowerment programmes need a stimulus guiding the students on their rights and legal protection in society.
- ✓ Thrust on Exchange programmes with other Institutions in India and Abroad would further enhance the Academic performance. Study Abroad initiatives on Students' higher education could spread the reach of Fatima to all lands. Signing of MOUs with World Ranking Institutes could make the campus the Mary Land of Education in the years to come.
- ✓ A couple of Foreign Universities tie up on faculty exchange programmes would further nurture global vision on Learning. This area needs a push.
- ✓ Campus placement drive could increase the decibel level. Girl students are excelling in all fields and wish that Fatima produces a few CEOs every year.
- ✓ With the expected roll out of NEP in the coming year, Fatima College, being an Institute of Eminence, would need to adapt to the New Normal. Having embraced change all along, this should not be a challenge for Fatima College.

My Best Wishes to the vibrant Fatima Team and I am available for any support in scaling New Heights in the field of Education.

**B.T.BANGERA**
