The Planning and Evaluation Committee Meeting was held on 18.9.2013 at 2.30pm. Dr. Sr. Jospin Nirmala Mary welcomed the members of the Committee and presented the highlights of achievements and progress during the year 2013-2014.

The following discussions were made:

- \* All the staff members can be encouraged to do the minor and major research projects.
- \* To upgrade all the PG Departments as Research centres.
- \* To motivate the staff to commit themselves to create research fellowship in thrust areas.
- \* Workshops regarding awareness on various funding agencies like UGC, DST, CSIR can be arranged frequently for the staff.
- \* The expertise of the retired staff can be utilised for the establishment of centre for excellence in Research.
- \* Twinning and exchange programmes between the reputed universities can be encouraged for the staff and the students and also credit transfer courses for the students can be introduced in collaboration other state and foreign universities.

- \* Developing suitable means and ways to promote entrepreneurial culture by moulding the students to become entrepreneurs.
- \* To establish Women's Studies centre in collaboration with IGNOU.
- \* Each department can introduce one online course.
- \* MOU with the School of Youth Welfare, Madurai Kamaraj University, can help the students to have more welfare programmes.
