- * The members appreciated about the implementation of the previous board of studies meet suggestions.
- * The Self Learning Courses for Advanced learners titled Corporate Social Responsibility was approved by the members.
- * While discussing the self study portions, Dr. J.O. Jeyda Granajane Elijo suggested that self study portions can be mentioned at the end of the syllabus. She also suggested to mention a note that external examiners need not set questions from this portion besides dynamism unit. If it is not done, the external question setters may ask question from this portion, ultimately students will be affected.
- * For Service Learning programmes the members suggested to adopt a village or select the villages where NSS extend their services or focus on special communities. First and foremost build a rapport through organizing free medical camps, eye camps etc., These villages are the social laboratory to carry out all specialisation based activities.
- * While discussing value added Crash Course Counselling skills was approved.

- * In the syllabus Self study portions were discussed and finalised.

* 19MSW311C - Labour Legislations in unit: III add Code of wages, 2019.

* For MOOC course titled Intellectual property Rights: A management perspective is approved. The members of the board said that the choices can also be given to the learners to pursue the MOOC courses because certain courses will be available for particular time. So based on the availability of the

Course in the portal and the interest of the learners is more important to pursue this Course.

- * For the project work, the members expressed that it is unfair for not allotting the hours and Credits in the work load. They also suggested that to include the Credits in the front page. They also felt that for project the learners can be given freedom to select the title based on their interest and facilitate them to choose topics based on Social problems, Tropical Diseases, Current problems can be focused. They also suggested that two papers namely Social policy, planning and Development and Social welfare Administration and Legislation can be merged the hours and Credits can be allotted for Research project.
- * The proposed external examiners list was discussed and approved for field work viva-voce and project viva-voce. They also said that for field work viva-voce practitioners should be preferred then for project viva-voce academicians should be invited.
- * Dr. C. Karupiah, professor & Head, Department of Sociology, School of Social Sciences, Madurai Kamaraj University, Madurai.
- * Dr. P. Rajkumar, Professor, Department of Sociology, School of Social Sciences, Madurai Kamaraj University, Madurai.
