In the beginning of the meeting the University nominee of Board of Studies Prof. Dr. K. Perumal welcomed all the members and the Head of the Department Mrs. J. Arockia Jackuline Joni briefed them about the progress of the Department. The BOS members expressed their high appreciation and satisfaction about the Course.

The syllabi for both the semesters were discussed. The Course contains 5 theory papers, 5 practicals, an Internship and two projects. The Board members were satisfied with the syllabi and the following decisions were taken at the meeting.

The modifications done in the first semester are:

i) The Title of the paper "Computer Fundamentals and OS" is to be modified as "Computer Fundamentals" and the concept of Data Mining and Big Data is included as Unit-V in Computer Fundamentals.

ii) The Board member recommended that the case study for "problem solving using C and Web designing" paper may be included.

iii) The "Tally" practical paper is removed, by the suggestion of board members.

iv) Instead of "Tally" practical paper, the "Weka" is introduced as one of the practical paper.

v) The Title of the practical paper "Tally with Spreadsheet" is to be modified as "Excel and Weka".

The modifications done in the second semester are:

i) The Title of the paper "Database Management System" is to be modified as "Relational Database Management System".

ii) The Board members suggested that the case study for "Relational Database management System" and "Visual Basic" could be included.

The External Examiners name lists were passed and the board members are satisfied with the name list.

Under this agenda the BOS discussed and approved the proposed course of POST GRADUATE DIPLOMA IN COMPUTER APPLICATION, and approved its syllabus and course structure. Meeting ended with Vote of Thanks by Mrs. A. Sahaya Anita Mary.

The following subjects are existing in the I and II Semester:
