AGENDA

- * To review and finalise Outcome Based Education syllabus for all the IV semesters
- * To carry out minor changes

- * To finalise the syllabus for the certificate course offered to the PG students in "Content Management Systems" as off-class course.
- * To finalise the syllabus for the optional extra credit Self-Learning course offered to advanced learners during the II year.
- * To pass the list of external examiners for the end semester practical examination.
- * To pass the list of companies and organisations, probably where the students would do their projects and internships.
- * To pass the modified CIA component pattern.

The paper titled "Mobile Application Development using Android studio" is replaced with "Mobile computing and Application development". 19PG1288
 Minor changes done in the papers Neural Network and Data mining & Data warehousing (19PG128E2 and 19PG13B13)

Industrial expert suggested to encourage the PG students to enroll on relevant developer forum and to form a full stack team. He also insisted to initiate strategic joints with research labs and companies.
