The new University Nominees Dr. V. Emayavaramban and Dr. N. Sankar put forth the following recommendations and commendations in the Virtual Awards Committee Meeting held on 07.07.2021:

- Dr. N. Shankar proposed that the printed records could have the year, course, course code and the major.
- Dr. N. Shankar suggested that the number of students enrolled, appeared, absent and passed could be furnished to get an overview of the Graduate Outcomes. He also recommended that the reason for absenteeism could be probed into in order to curb dropouts. Further, he also felt that the graphical representation could be more self-explanatory.

In response to it Dr. Sr. A. Josephin Nirmala, the Controller of Examinations and Dr. Sr. G. Celine Sahaya Mary, the Chairperson and the Principal welcomed the suggestions and explained that the staff in Fatima already take personal interest in following the absentees.

- Dr. N. Shankar, congratulated and commended all those involved in the publication of the results for their hard and marvellous work.
- Dr. V. Emayavarambaram recorded the same observations as that of Dr. N. Shankar and commended the staff for 100 percent results especially during the COVID-19 times.
