

# Fatima College

(Autonomous)

Re-Accredited with 'A++'(CGPA 3.61) by NAAC (Cycle- IV)

College with Potential for Excellence (2004 - 2019)

101 - 150 Rank Band in India Ranking 2021 (NIRF)

Mary Land, Madurai - 625018, Tamil Nadu.

## FATIMA COLLEGE (AUTONOMOUS), MADURAI – 625018

2020 - 2021

**NAME OF THE PROGRAMME: B.Sc CHEMISTRY**

**PROGRAM CODE: UACH**

### PROGRAM OUTCOME

- Have firm foundations in the fundamentals and application of current chemical and scientific theories.
- Are skilled in problem solving, critical thinking and analytical reasoning.
- Are able to identify and solve chemical problems and explore new areas of research.
- Are able to communicate the results of their work to chemists and non-chemists.
- Students will be able to explain that chemistry is an integral part in addressing social, economic, and environmental problems.
- Students turn out to be globally competent there by establishing themselves as attractive professionals.

# Fatima College

(Autonomous)

*Re-Accredited with 'A++'(CGPA 3.61) by NAAC (Cycle- IV)*

*College with Potential for Excellence (2004 - 2019)*

*101 - 150 Rank Band in India Ranking 2021 (NIRF)*

**Mary Land, Madurai - 625018, Tamil Nadu.**

## **PROGRAMME SPECIFIC OUTCOMES:**

- PSO1:** Thorough understanding of all basic concepts and theories pertaining to Chemistry
- PSO2:** A comprehensive view of bonding, structure, reactivity and stability of chemical species.
- PSO3:** An overall perspective view of physical principles that govern all physical and chemical transformations .
- PSO4:** Basic knowledge about instrumentation involving UV, IR, ESR and NMR.
- PSO5:** Hands on experience of laboratory experiments both qualitative and quantitative
- PSO6:** Project undertaking enables presentation of results and strengthens the learners in lab to land procedures that nurture societal need and environmental protection.
- PSO7:** Diversified informative sources that equip learners to enter varied fields.
- PSO8:** Additional in-puts of using appropriate software related to Chemistry and chemical calculations.
