THE RESEARCH CENTRE OF PHYSICS

Title: Awareness Session on “Enhancing Skills for Energy Conservation and Efficiency”

Date: 26.03.2021

Resource Person: Mr. Sivakumar, M.E., External Faculty, PCRA

No. of Participants: 130

Focus on: Skill Development

Outcome: The awareness session enlightened the students on the much needed concept of energy conservation and they were made aware of **optimization skills** for the judicious usage of these available resources.

Report:

Energy is a fundamental driver of modern economies. Energy efficiency has and continues to play a strong and valuable role in the sustainable development of the global economy. Energy efficiency and renewable energy sources offer opportunities that are bound to be part of any green growth policy. Developing skills in harnessing energy efficiency needs an awareness of it first. With this idea, Dept. of Physics, organised a programme where Mr. Sivakumar, M.E., External Faculty, PCRA gave an awareness session on “Enhancing Skills for Energy Conservation and Efficiency”. He spoke to the students about how energy is an indispensable part of our lives. He explained the extraction of this energy from coal, petroleum, natural gas and similar resources and emphasized upon the valid point of Optimization in the use of these resources which is the key to our healthy survival.

Further he elaborated upon how man is habituated with all the means of luxury and all these forms of luxury demand high energy consumption. On the other hand, energy resources are limited and precious. He showed evidences of the measures taken by Govt. and reminded the gathering of Govt. of India slogan 'Save energy, Save Future'. He further added that the initiative taken by the government will only be successful if the youth understands the gravity of this problem and spread awareness amongst the masses. Also he urged the gathering to take inspiration from these

programmes and search for alternative energy resources. He also stressed on the judicious use of available energy resources. Around 130 students participated and got benefitted and the programme ended with a very lively interaction with students.

Glimpses of the awareness session - Speaker Mr. Sivakumar spoke and interacted with the students on “Enhancing Skills on Energy conservation and Efficiency”.
