Message to the NSS Volunteers on November 26, 2020 through online

Till Independence, princely states in India had their own separate rules and laws, which needed to be brought under the country's political rules, laws and procedures. "Besides, our country needed such a Constitution in which the basic rights and duties of the people, living in the country, have been prescribed so that our country can progress rapidly and achieve new heights. The Constituent Assembly of India adopted the Constitution of India on January 26, 1949 and its effect began on January 26, 1950. The Indian Constitution was drafted by Dr Bhimrao Ambedkar after closely examining all the constitutions around the world. It was brought before the Indian Constituent Assembly on November 26, 1949. On this day, the Constituent Assembly adopted it. This is the reason that November 26 is celebrated every year in the country as the Constitution Day"

The Program Officers explained about the Constitution of India. They also motivated the students to respect the Indian Constitution and read the Preamble and understand its meaning. NSS volunteers read the Preamble and got the certificates.
