Sr.M.Arul Vinnarasi, Coordinator, ROSA, Fatima College highlighted the features of NEP . She also pointed out that this policy will bring back ancient skills and thus students can develop their skills with innovative ideas and the new syllabus can help them to crack competitive exams such as NEET. She listed out some of the difficulties that would arise in implementing this new policy.

In the first session **Dr.Ragam**, NSS Coordinator of Fatima College, highlighted the following points on NEP

- Schooling starts at 3 years of a Child. The new system will have 12 years of schooling with three years of pre schooling and emphasize 5+3+3+4 structure for 3-8,8-11,11-14 and 14-18 years
- NPE focuses on students' Mother tongue as medium of instruction in both private and public schools till grade 8.
- Vocational Education will start in schools from 6 th grade including internships
- Public and private higher institution will be governed by same set of norms for regulation.
- Multiple entry and exit options in degree courses. Undergraduate degree will be of either 3 or 4 years duration with multiple exit options. Colleges will be mandated to give certificate after completing 1 year .
- The NEP offered targets of research. Higher education syllabus is light but tight. Small number of schools join together and become large schools.

In the second session **Dr.Poongodi**, Assistant Coordinator of ROSA Extension, Shift II, of Fatima College, spoke about the benefits of NEP through her inspiring speech. She highlighted the pillars of NEP - access, equity, quality, affordability, accountability - which would transform India into a vibrant knowledge hub.

In Queries and Discussion Session many students and the people from rural areas arise their queries and doubts to the resource persons about NEP. The Coordinator gave detailed explanation and thus she clarified their doubts.

Then Dr.Jecinta delivered her vote of thanks to all the Resource persons and the participants of the webinar. Thus, the webinar ended successfully.

This session is very helpful to know the demerits of NPE 2020. After our independence for the past 10years there is a little development in education sector..but after the establishment of NPE our educational level will be decreased..So as we are the citizens we should join and raise our voice
