community. Dr. Mrs. Ragam and Dr. Mrs K. Karthiga, NSS Program officers explained about the initiatives of Swachh Bharath mission launched across the length and breadth of the country as a national movement as tribute on 150 birth anniversary of Mahatma Gandhi. Program officers highlighted the Mahatma Gandhi's dream of clean and hygienic India and motivated the students to initiate cleanliness drive in their homes and public places wherever they go and that may lead to better hygienic community. Also, by inviting other people to participate in the drive, the Swachhatha Abhiyan may turn into a National Movement, they added. This online webinar inculcated a sense of responsibility among the young minds that is to be evoked among the students through Clean India drive. NSS volunteers are now becoming active participants in cleanliness activities across the community, and the dream of 'Clean India' once seen by Mahatma Gandhi has begun to get a shape, concluded Dr. M. Ragam, NSS Coordinator.
