To Whomsoever It May Concern

This is to certify that **S Madhu Gowri** from the **Department of Social Work, Fatima College, Madurai** has completed her internship from 03/05/2021 to 03/06/2021 at Yuva Active Advocacy Forum.

During her time here Madhu Gowri worked enthusiastically in all of our departments. She contributed immensely to our Ideation & Content Department by writing an article titled “Should we continue lockdowns to tackle pollution?”. While working with the IT & Admin Department, she downloaded information about candidates who contested the Rural Local Body elections in 2019 at Namakkal, Nagapattinam, Thiruvavur, and Thoothukudi for our election database. She also updated the winner status of candidates who contested the recent state legislative assembly elections from 55 constituencies in Tamil Nadu. Madhu Gowri also took part in our workshops on “Good Governance and Effective Participation”, and drafted an RTI requesting verification about toilet facilities for laborers working in industries across urban and rural areas.

Madhu Gowri has been very sincere and committed in her work. She is always prompt to do any task that has been asked of her and completes the given task on time. She is keen on following instructions and incorporates the same efficiently. She will be an asset to any team that she is going to be a part of in the future.

It was a pleasure having her work with us and we wish her all the very best for her future endeavors!

Best Regards,
