Over the past several decades civic engagement and global citizenship has become increasingly popular goals in higher education. International Service learning is a popular way to facilitate students' growth in the cross – cultural learning and civic engagement. Considering a shift from local service-learning to global service-learning as the need of the hour in this pandemic period , Fatima College organised a 5 – day international conference on Global Service Learning for the students and academicians globally from July 29 to August 2, 2020 at 6.30 pm in Language Lab – II , Fatima College to explore the possible differences that may exist between the students experiences of international and domestic service – learning programs through their period of study. This platform further enhances the student who participate in the community engagement reflects on the experience in such a way as to gain further understanding of course content, a deeper understanding of global and intercultural issues, a broader appreciation of its nuances and discipline and an enhanced sense

Webinar on National Education Policy

22.09.2020

In order to explain the salient features of the National Education policy, a webinar was jointly organized by *Unnat Bharat Abhiyan-2.0* and Reach out Society through Action (ROSA) of Fatima College, Madurai.

Sr. Vinnarasi, Coordinator of UBA and ROSA, Fatima College briefed the students on the ROSA programme. She explained the various activities undertaken by the students with the help of their professors and the stakeholders in the adopted villages. Activities like computer literacy, cleaning of schools and villages, entrepreneur training, language teaching, kitchen gardening and much more have been performed in the villages. The students work whole heartedly with a service mind to uplift the people from rural areas. She proudly stated that the active contribution to the villages ensured Fatima College's presence in MHRD-UBA 2.0.

An introductory talk on NEP was given by Dr. M. Ragam, Coordinator (Shift I), NSS and Assistant Professor, Department of Physics, Fatima College.

Dr S. R. Poongodi, Assistant Professor, Department of Tamil (Shift II) added on to the information provided on NEP.

Sr.Vinnarasi explained some of the challenges that come with the implementation of NEP. Schools in villages are in the danger of being transformed as adult education centres, this questions the famous saying of Gandhi who said "India lives in its villages." The multiple entries and multiple exits approach will increase the number in college dropouts she said.

In the last session, the students expressed their ideas and opinions on NEP. The questions they raised were answered by Dr. M. Ragam and Dr. S.

INITIATIVE OF ROSA FOR GREEN DIWALI – 2020

As per the instructions of the Government of Tamil Nadu **REACH OUT TO SOCIETY THROUGH ACTION (ROSA)** the Extension Wing of Fatima College, Madurai sensitized the students and public on opting for a green, healthy Deepavali. **The staff members sent voice messages** asking III year undergraduate students not to burst crackers for Diwali. This eco conscious message was conveyed to the 16 villages adopted by Fatima College under Extension Program. The main objective is to create awareness among the students and villagers, thereby involving them in Save the Earth campaign and Enrichment of natural resources. This will definitely create a change in the mindset of people.

REPORT ON ROAD SAFETY

20.01.2021

Following the webinar on Road Safety held for all Part V students, Youth Red Cross Students were asked to create a video pertaining to road safety. The concept of Road safety must contain all the mandatory rules to be followed by the people of all ages. Students created videos on road safety using the video and editing applications. The best of the videos were consolidated and to be uploaded in the Youth Red Cross blog.

MULLAINAGAR FIELD VISIT - DATA COLLECTION

Human rights cell of Fatima College promotes and protects the human rights of the society by voicing out for the marginalized and destitute. Keeping this specification in forefront, the human rights cell of Fatima College (shift II) took up a project in collaboration with People/s watch for the residents of Mullai nagar, Bibikulam. The residents of Mullainagar are residing in that place for generations. Now the government has issued an order to demolish the houses as it is built in squatter lands. As a helping hand, the students of Fatima visited the place on 16 & 17 March 2021 and collected data about the profile of the residents to file the case in high court which adds vitality to the case. Students enthusiastically participated in the project and completed the task in two days.

MUSIC THERAPY SESSION FOR CANCER PATIENTS

In a much-needed relief for cancer patients , NSS and AICUF association of Fatima College in collaboration with Ashwin Maharaj Foundation, a Chennai based NGO is organizing weekly music therapy sessions with the help of volunteers to help alleviate the patients from their symptoms. Music therapy is being given by group of volunteers from NSS and AICUF. They sang melodies to the cancer patients in Madurai Rajaji Hospital. This experience brought out a lot of positive vibrations from the performers and the patients.
