Food for thought

The enemy of the truth is very often not the lie - deliberate, contrived, and dishonest - but the myth - persistent, persuasive, and unrealistic.

John F. Kennedy

Welcome to Fatima Online Course

New research has suggested that many young people could benefit from an online to enhance their learning skills both theoretical and technical.

The online courses are new windows for accessing information on specific courses and gain preparedness for self learning and application of knowledge gained in the fields of choice. The aim of this facility is to increase the choices of areas of study available in our campus.
