highlighted that only continuous learning is needed to stay connected with the career path and to be successful. He also orated that learning should be a generic one and to be played at MBA as a platform. The guest speaker patiently answered various queries raised by the students about the choice of suitable career as per their dreams.

Outcome:

This session on **“Path towards job choice”** encouraged and motivated the students to design their career path based on their dreams. Students were made aware of the importance of path and job choices based on unique skills for success of their path.
