Report: AICUF has conducted Essay writing and Poster making competitions on Water Conservation as a part of “Jai shakti Abhiyan”

campaign on water conservation to create widespread awareness among students on 01.04.2021. 37 students has participated in Essay writing and poster making competition through Google classroom. The students have submitted their essays and posters in Google classrooms. The very purpose of this activity is to sensitize the society through student community towards the issue of water and the need for its conservation by involving themselves. And the winners were decided to be given prizes in the forthcoming activities.

Winners:

Essay writing competition:

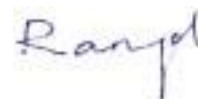

1. Arockia Swetha T- I B.Sc Statistics
2. Rita. A- II B.B.A

Poster Making Competition:

- 1.Terrance Deepika- I B.Com CA
- 2.Jenifer -I B.Sc IT

Outcome of the Activity:

Student's participation showed their involvement in water conservation. Water being an ongoing reliable source around the world, it will not be available forever. We must catch the rain where it falls and when it falls.
