REPORT ON TECH MEET -2020 -21

On 5th and 6th November 2020 we, the department of computer science, Fatima college conducted the "TECHMEET-2K20". This pandemic situation gave us chance to conduct the technical meet through online mode. Our Under graduate and Post graduate students framed different sets of events for their participants.

Our Under graduate students designed the meet with four events on 5th. The events are Paper presentation as Pep Talk, Quiz as Mind Scribble, Model using e-waste as Buildup and Program Development as Code Rider. The events designed by our PG are Paper presentation as Pep Talk, Quiz as Mind Scribble, Poster making as Pamphlet Designing and Animation as Creative Designing.

On both these days, all the events were conducted in parallel from 10.00am to 12.00 noon. All the participants were enthusiastically participated and made the end of the meet wonderful and successful. The overall registered colleges are 12 and under that we had different teams from departments.

Short and sweet welcome address and vote of thanks added flavor to all the events. And the overall valedictory with the prize announcement takes place in both the days by our UG & PG students. The perfection for the competition was chased by our students to catch the word of excellence and they were so proud and delighted on their work. Google classrooms took part the main role in conducted the events and share communications with the registered students.

Paper presentation

All the participants submitted their softcopy through google classroom. And given their full efforts and took part with enthusiasm. Among them Ms Gurudevi from V.V.Vanniyaperumal college for women won first prize and S.Subhasini from Madurai Sivakasi nadar pioneer Meenakshi womens college won second prize in UG. The winners of this competition in PG are R. Subhalakshmi from V.V. Vanniyaperumal college for women and S. Harini from Sri Krishna Arts and Science college. Finally the competition came to end at 11.30 by giving vote of thanks.

Quiz

Quiz Team Members Organized the Competition well. The prelims for this competition was conducted for all the participants and the students who won the prelims were selected for the final. Those who are selected attended different quiz rounds designed by our UG and PG students. The winners of this competition from UG are--- and PG are S.Venkatalakshmi from Sri Krishna Arts and Science college and S. Karthick from Sri Krishna Arts and Science college.

Program Development

The event started with the part of development by our students and ended with the other parts by the participants. Then the best developers with the expected output were selected by our department in-charge staff. The winners are S.Pavithra from V.V. Vanniyaperumal college for women with 1st prize and Bhagawathi Perumal.G from Sri Krishna Arts and Science college with 2nd prize.
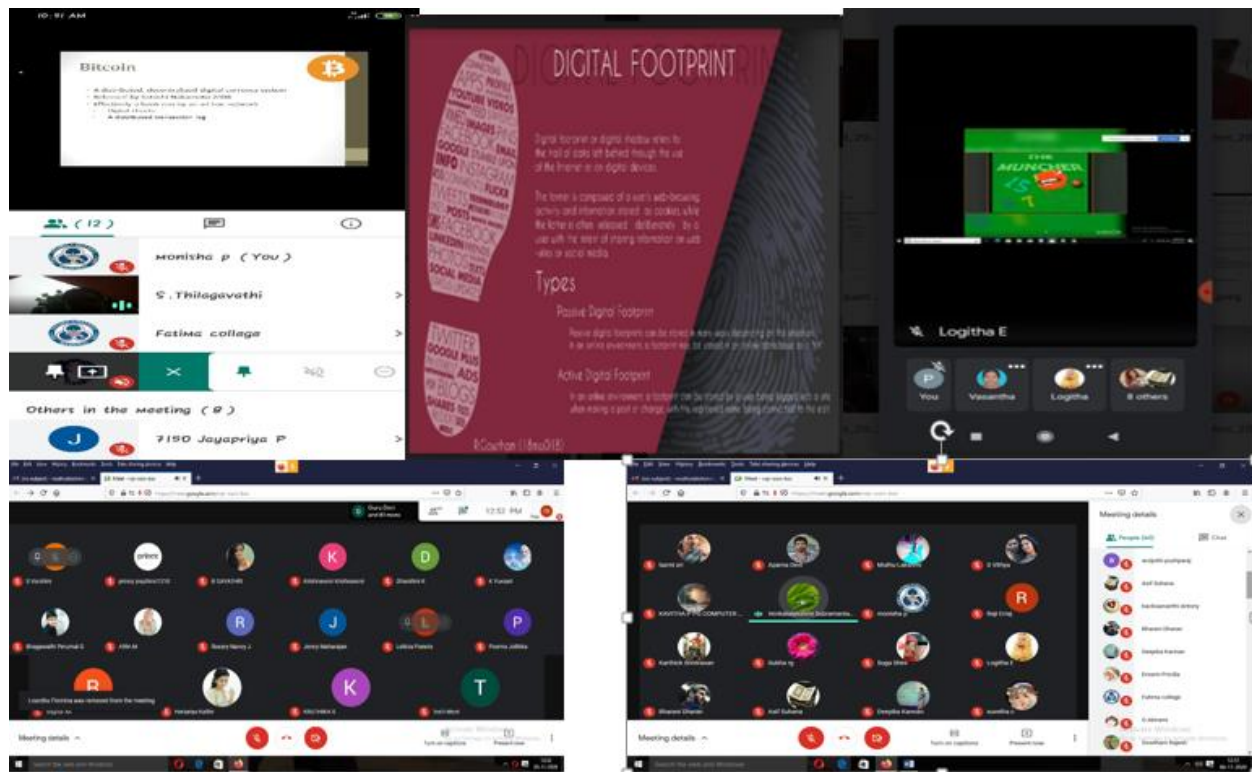

Model Using E-Waste

The participants made the event to move in interesting way by providing eye-catching models with e-waste things. Then all the participants demonstrated how they prepared it. That supported the staff in-charge to select the winners. The winner and runner are the S.Varshini from V.V. Vanniyaperumal college for women and K.Yuvasri from Madurai Sivakasi Nadars Pioneer Meenakshi Women's College respectively.

Animation

By providing the sample output, we have given a chance to the participants to develop the expected animation. The choice of code using either Java or C++ has given to the participants. The winners of this competition are M. Bharanidharan - Sri Krishna Arts and Science college and B. Asif Suhana - V.V. Vanniyaperumal college for women.

Poster making

The topic for this event is "**Digital Footprint**". The event went very colorful with hundreds of different images from the participants. Within that our staff in-charge found best participants as winners. They are S. Vithya – Mangayarkarasi college of Arts and Science for Women with first prize and P. Kavitha - V.V. Vanniyaperumal college for women with second prize.

"LOCKDOWN FAILS TO LOCK OUR INTEREST AND PASSION" and Hard work never fails – Our students made these statements absolutely True by conducted this TechMeet with lots of happiness and satisfaction. Thus with the successful end the overall first place won by V.V. Vanniyaperumal college for women and second place by Sri Krishna Arts and Science college.
