## BEST PRACTICE I

### STREAMING OF PART- II ENGLISH LEARNERS

#### ENGLISH ATTAINMENT TEST (EAT)

English Attainment Test (EAT), a distinct and annual feature of the Research Centre of English is organised for the I year Undergraduates on their first day in college with the objectives of assessing the learners' English Competence and to analyse their needs. This academic year the test was conducted online using Google Forms on August 24 & 27, 2020.

Based on their test scores the students are categorized into various sections that go under three streams: Basic, Intermediate and Advanced – for the General English classes where the needs of the language learners are catered to with customised text books and student-centric teaching, learning and evaluation pedagogies.

As many as 525 students took up the test on the first two days and the rest took up as and when they were admitted. They were divided into 9 sections as follows:

## BRIDGE COURSE 2020-2021

**24.08.2020 – 04.09.2020**

The Research Centre of English conducted BRIDGE COURSE 2020 – 2021 for the I Year students from August 24, 2020 to September 4, 2020. The course was offered to all the newcomers of UG courses with the intention of helping them get acclimatized to the new and challenging learning ambiance in college. The learning material was produced keeping in mind the need to hone all the macro skills of the learners. Though the pandemic deprived the teachers and the students of the traditional classroom atmosphere, the online platform provided profuse use of pedagogical techniques and facilitated effective teaching and learning.

The Department streamlines the students based on the marks obtained in the entry level English Attainment Test (EAT). They are put under three categories according to their level of proficiency in English:

- **'A' Stream (Basic)**
- **'B' Stream (Intermediate)**
- **'C' stream (Advanced)**

This year 525 students were grouped into 6 sections :

Section A: History and Economics

Section B: Sociology and Tamil

Section C: English and Computer Science

Section D: Mathematics and Physics

Section E: Chemistry, Zoology and Home Science

Section F: Commerce

The course was designed integrating the four language skills namely listening, speaking, reading and writing. The students were made to interact and participate in language tasks and games that included components like vocabulary, grammar, short conversations, debates and continuous writing.

The valediction of the course took place on 04.09.2017. Students gave both written and oral feedback. The online feedback questionnaire was based on the personal, psychological impact and general evaluation of the course, teachers and volunteers. The students were immensely happy and satisfied with the course and they felt motivated to improve their English language skills during the course of their stay in the college.

## FEEDBACK FOR ENGLISH BRIDGE COURSE

3<sup>rd</sup> September, 2020. I thank our college for arranging this English bridge course and I would thank Kayal mam and Aarthi mam for making this session lively. It was better than I expected in fact, it was amazing. I learned a lot of new things from this session, like self introduction, our own interest, positive thought, how to use familiar word in our day today life, pronunciation of the word, meaning of the words, etc. We are confident enough to speak English now. The bridge course was very helpful for us to listen to our major classes. We are going to miss you in the upcoming days. Both the mams look like angel because you explain things so well, and you always include everyone in discussions, so no one feels incompetent or self-conscious. Thank you for showing us that we all have self-confidence, and inspiring us to act like it.

Your assignments made us to do creative works, we learned a lot from the little tasks which you have given for us in the bridge course.

Words alone cannot express how much your actions and teachings have influenced us in this bridge course. All of us will watch English movies just for the entertainment but you taught us to find the simple word which comes on the movies and try using them in daily life. Once again we all extend our thankfulness for caring about us.

Thank you

With regards

Padmini bala

## REPORT ON BRIDGE COURSE 2020-2021

### THE DEPARTMENT OF ENGLISH (SF)

The Department of English (SF) offered a comprehensive language training programme for the new entrants in the portals of Fatima College, Madurai. For the first ten days of the beginning of the academic year they take up the language sessions which ease the gap between school and college curriculum. The intensive training programme exclusively designed for the freshers aimed at honing their skills in English grammar, comprehension, vocabulary, listening and speaking skills.

Before the commencement of the classes, the students took a preliminary test - the English Attainment Test. This test is conducted to stream line the students for the General English classes. Based on the marks the students scored in the English Attainment Test, they will be taking their English classes after the completion of the Bridge Course. The test was conducted online in Google forms on August 25<sup>th</sup>. All the new entrants in the UG programmes in the self financing programmes took the 45 minutes online test.

The screenshot shows a Google Form titled "English Attainment Test" on a mobile device. The form is displayed on a screen with a status bar at the top showing 4G+ signal, 34% battery, and 9:19 PM. The form header includes the name "Sumedha Mam" and the date "25 August, 12:07 pm". The main title "English Attainment Test" is prominently displayed. Below the title, a message states "You have 45 mins. to complete the test." followed by a red asterisk and the word "Required". The form contains two input fields: "Email address \*" with a placeholder "Your email" and "Name (as mentioned in mark-sheet) \*" with a placeholder "Your answer". At the bottom, there is a "Father's Name \*" field. A large play button icon is centered over the form. The bottom of the screen shows a "XRecorder" watermark and a timestamp "02:54".
