Reach Out to Society through Action (ROSA)

ROSA is the flagship for Extension activities of Fatima College. Initiated in 2006-2007 ROSA aims at providing opportunities for **experiential education** for the students, enabling them to apply the knowledge they acquire in classrooms for the benefit of the neighbourhood community. It is in line with the College Vision: “...to empower women by developing human capabilities through quality education ...making them responsible citizens who can work for the advancement of the society...”

Extension activity is designed as an **off-campus program with 3 credits** for the Final year students. It has a general objective of the upliftment of the underprivileged, reaching out to the unreachable, caring for the education and health of rural children, revitalizing the self-confidence of young women and making them financially independent by providing them entrepreneurship skills.

The activities are streamlined and focused on women, children and youth, covering health, literacy, women empowerment, environmental awareness and other concerns of our times. Fatima College is working for the development of **16 villages** in Vadipatti Taluk.

Unnat Bharat Abhiyan 2.0

Unnat Bharat Abhiyan is a flagship programme of the Ministry of Human Resource Development with the intention to enrich Rural India. Fatima College is one of the **Participating Institution** selected in a challenge mode based on our contribution to societal development.

As per requirement, our institution has identified 5 villages namely ThirumalNatham, Nedungulam, Vadugapatti, Ambalathadi and Kondayampatti, in consultation with the District Collector and have built good rapport with people. So far the college has conducted **Participatory Rural Appraisal** and formed Stakeholders committee in each village.

Village survey and house hold survey has been carried out. The students have actively participated in identifying natural and human resources available in each village with the view to match those resources with the actual needs of the local people.

Summer internship programme was organized in Kondaympatti village and addressed to the education, health and environmental issues of the village. The faculty and students participated in **Gram Sabha** meeting on August 15th in all the UBA villages and identified key problems to be addressed.

INITIATIVE OF ROSA FOR GREEN DIWALI – 2020

As per the instructions of the Government of Tamil Nadu **REACH OUT TO SOCIETY THROUGH ACTION (ROSA)** the Extension Wing of Fatima College, Madurai sensitized the students and public on opting for a green, healthy Deepavali. **The staff members sent voice messages** asking III year undergraduate students not to burst crackers for Diwali. This beautiful message was conveyed to the 16 villages adopted by Fatima College under Extension Program. The main objective is to create awareness among the students and villagers, thereby involving them in Save the Earth campaign and Enrichment of natural resources. This will definitely create a change in the mindset of people.

WEBINAR ON NATIONAL EDUCATION POLICY

22.09.2020

In order to explain the salient features of the National Education policy, a webinar was jointly organized by *Unnat Bharat Abhiyan-2.0* and Reach out Society through Action (ROSA) of Fatima College, Madurai.

Sr. Vinnarasi, Coordinator of UBA and ROSA, Fatima College briefed the students on the ROSA programme. She explained the various activities undertaken by the students with the help of their professors and the stakeholders in the adopted villages. Activities like computer literacy, cleaning of schools and villages, entrepreneur training, language teaching, kitchen gardening and much more have been performed in the villages. The students work whole heartedly with a service mind to uplift the people from rural areas. She proudly stated that the active contribution to the villages ensured Fatima College's presence in MHRD-UBA 2.0.

An introductory talk on NEP was given by Dr. M. Ragam, Coordinator (Shift I), NSS and Assistant Professor, Department of Physics, Fatima College.

Dr S. R. Poongodi, Assistant Professor, Department of Tamil (Shift II) added on to the information provided on NEP.

Sr.Vinnarasi explained some of the challenges that come with the implementation of NEP. Schools in villages are in the danger of being transformed as adult education centres, this questions the famous saying of Gandhi who said "India lives in its villages." The multiple entries and multiple exits approach will increase the number in college dropouts she said.

In the last session, the students expressed their ideas and opinions on NEP. The questions they raised were answered by Dr. M. Ragam and Dr. S. R. Poongodi promptly. The program ended at 2 pm with a vote of thanks
