PROGRAMMES FOR SLOW LEARNERS

DEPARTMENT OF HISTORY

Peer Learning

Large numbers of Students who enroll for the history major have done their school education in Tamil Medium. Intellectual caliber of the student is low. The students also belong to weak socio-economic background mostly from rural areas.

Objectives:

- To encourage the slow learners to understand the basic principles of history and to improve the relationship between peer groups.
- To promote active learning and interaction between Students..
- To increase Social connectedness and create a sense of belonging within Peer networks.

Practices:

- Informal talk with the students by the staff of the department to identify the learners.
- Counseling is given by course teacher, academic advisor and by the Head of the Department.
- Encouraging the gifted students to help the classmates to perform in the internal peer learning.
- Adopting bilingual teaching.
- Advising slow learners to note down difficult words during the class and to use dictionary to know the vocabulary.
- Frequent test and quiz test are conducted to check their improvement from their performance.
- Conducting remedial class hours by academically good senior students.

II MBA

Special Programme for the Slow Learners 2021 – 2022

In order to motivate both the slow and advanced learners' workshops, training sessions and guest lectures are organized to enhance their skills.

Slow Learners

Peer group learning was the main focus to enhance capabilities of Slow Learners. They were given special attention while teaching. Additional time was spent towards making their understanding better.

Club activities as workshops with hands-on session to improve students programming skills and event management skills are made once in a week for both I and II MBA Students.
