On October 6th 2021, the final year UG and PG students of the department of computer science attended the online guest lecture on the topic “OPEN SOURCE- Abundant MNC Job Opportunities” by Mr. J.S. Sukumar, arranged by the department of computer science. The online lecture was engrossing to us. From this session, the students explored more about the open source and the advantage of open source. We got to know about benefits of using open source which was explained by the lecturer. The lecturer was engrossing in explaining the concept with the students. Though the session was for an hour, we learnt how to equip ourselves with knowledge from open source and job opportunities in the open source field. The most interesting part was the interaction with the students about the power of open source. They learnt new technical software in the growth of the computer world, which will be helpful in our future career. Finally, this session taught us a career building idea in the field of open source. This session gave us a convenient source of information to the students.
