AUTHORS PROFILE

Mr. Allanki Sanyasi Rao working as an Associate Professor in the Department of Electronics & Communication Engineering at Balaji Institute of Technology & Science. He completed AMIE in Electronics & Communication Engineering in the year 1997. He secured Master of Technology in Digital Systems and Computer Electronics in the year 2012. He is Pursuing Ph.D., in the area of Wireless Communications. He is in teaching profession for more than 23 years and has published more than 30 articles in National and International Journals and Conferences. His main areas of interest includes Digital Communication, Fiber Optic Communications and Wireless Communications. He is the author of Optical Communication Text Book. He is a life member of Indian Society for Technical Education (ISTE) and member of Institution of Electronics and Telecommunication Engineers (IETE). He served as an editorial member for International Journal for Innovative Engineering & Management Research from 2016 to 2019.

Dr. G. Anand Kumar working as an Assistant Professor in the Department of Electronics and Communication Engineering at Gayatri Vidya Parishad College of Engineering (Autonomous). He received his B.Tech Degree in Electronics and Communication Engineering with distinction, M.Tech degree in Digital Electronics and Communication Systems with distinction from J.N.T.U.K. Kakinada and Ph.D from Andhra University. He is in the teaching profession for more than 17 years. He has published several research papers in refereed National and International Journals, Conference and Symposiums. His main area of interest includes Medical Image Processing, Signal Processing, Communications and Embedded Systems.

Dr. Tariq Ahamed Ahanger working as an Associate Professor in the Information Systems at College of Computer Engineering and Sciences. He graduated in 2006 Engineering at ICSC, Srinagar, J&K, India. He secured Master of Engineering in 2008 at Delhi University, New-Delhi, India. He secured / Pursuing Ph.D. in Computer Science-Networking at University of Middlesex England. He is in the field of Education and Research at College of Computer Engineering and Sciences, Prince Sattam Bin Abdulaziz University, Al-Kharj Saudi Arabia. He is in teaching profession for more than 9 years. He has presented 57 papers in National and International Journals, Conference and Symposiums. His main area of interest includes Networking, IoT, AI and Security.

Dr. R. Jothi Mani working as an Assistant Professor in the Department of Physics at Fatima College (Autonomous), Madurai. She graduated in Physics at Holy Cross College (Autonomous), Trichy, Tamil Nadu, India. She secured Master of Science in Physics at Annamalai University, Chidambaram, Tamil Nadu, India. She secured Ph.D. in Physics at Manonmaniam Sundaranar University, Tirunelveli, Tamil Nadu, India. She is in the field of Material Science at Fatima College (Autonomous), Madurai, Tamil Nadu, India. She is in teaching profession for more than 15 years. She has presented 42 papers in National and International Journals, 60 papers presented in Conference and Symposiums. Her main area of interest includes Crystal Growth and Nano Materials.
