## AUTHORS PROFILE

Dr. Varun Gupta is working as an Associate Professor (Research) in the Department of Electrical and Electronics Engineering at KIET Group of Institutions, Delhi-NCR, Ghaziabad, UP, India. He is graduated (B.Tech) in Electronics and Communication Engineering at Bharat Institute of Technology (BIT), Meerut, UP, India. He has secured Master of Technology in the Department of Control and Instrumentation at Dr. B.R. Ambedkar National Institute of Technology (NIT), Jalandhar, Punjab, India. He has secured Ph.D., in Department of Electrical Engineering at National Institute of Technology (NIT), Kurukshetra, Haryana, India. He is in the field of signal processing algorithms for various physiological signals. He is in teaching profession for more than 13 years. He has presented 77 papers in National and International Journals, Conference and Symposiums. His main area of interest includes Biomedical Signal Processing, Medical Informatics, Pattern Recognition Techniques and Control Algorithms.

Dr. R. Jothi Mani working as a Assistant Professor in the Department of Physics at Fatima College (Autonomous), Madurai. She graduated in Physics at Holy Cross College (Autonomous), Trichy, Tamil Nadu India. She secured Master of Physics in Annamalai University, Chidambaram, Tamil Nadu, India. She secured Ph.D., in Department of Physics at Manonmaniam Sundaranar University, Tirunelveli, Tamil Nadu, India. She is in the field of Material Science at Fatima College (Autonomous), Madurai, Tamil Nadu, India. She is in teaching profession for more than 15 years. She has presented and published 42 papers in National and International Journals, Conference and Symposiums. Her main area of interest includes Crystal Growth and Nano Materials.

Dr. K. Rajesh working as an Assistant Professor and Deputy Director Research in the Department of Physics at Academy of Maritime Education and Training (Deemed to be University), ECR, Kanathur, 603112. He graduated in Physics at Presidency College, Chennai, Tamilnadu, India. He secured Master of Science in Physics at RKM Vivekananda College, Chennai, Tamilnadu, India. He secured Master of Philosophy and Ph.D., in Physics at Presidency college, Chennai, Tamilnadu, India. He is in teaching profession for more than 8 years. He has published 44 papers in National, International Journals and also he has presented more than 40 research papers in Conference and Symposiums. His main area of interest includes Materials science and Biomaterials. He serving reviewer in many international peer reviewed journals which includes Elsevier, Springer and Taylor and Francis publishers.

Dr. Gaurav Dubey is currently working as Faculty in the Department of Optometry from the Faculty Paramedical Sciences at Uttar Pradesh University of Medical Sciences, Saifai, Etawah, U.P., India. He having more than 15 years of experience in Optometry. His active contribution to various academic activities like Academic Projects, Research Programs, Eye-Campaign, and National Level Conferences across India meets the higher domain of pedagogy for up-gradation and upliftment of students, Profession, and University. He earned MOH Oman Optometry License. Seven National Academics Awards formerly felicitated him for promoting the Optometry profession. The Optometry Council of India & Indian Optometry Federation felicitates him for creating Awareness in Optometry. Currently, he is a review board member across several International Journals and has published more than 60 research papers in National and International Journals. The author has published 05 book chapters and four books entitled: Textbook of Clinical Optometry, Handbook of Ocular Terminology, Fiber Optics and Lasers in Medicine & Professional Ethics. His Two books entitled "Comprehensive-Ophthalmic lenses, Frames, and Clinical Dispensing", & MCQs for Optometry is currently in press with a reputed publisher. Besides these achievements author have granted three design patent and one copyright.
