

FATIMA COLLEGE

(Autonomous)

Re-Accredited with 'A++' (CGPA 3.61) by NAAC (Cycle-IV)

College with Potential for Excellence (2004-2019)

101-150 Rank Band in India Ranking 2021(NIRF)

Mary Land, Madurai-625 018, Tamil Nadu

## REPORT

**Name of the Activity** : Public Health and Preventive Medicine – Maternal and Child Health – 1<sup>st</sup> round of National Deworming Campaign March 2022 round

**Date of the Programme** : 18.03.2022

As per the decision made in the meeting on “National Deworming Day 2022 March round” on 07.03.2022 conducted by the Health and Family Welfare Department to administer the Albendazole Tablets, the tablets were given to the students in Fatima College.

Worm infections can reduce the absorption of nutrients in the body, leading to anemia and malnutrition, and weaken the body's immunological response to other infections such as malaria. Infected students may become too sick to attend college or too tired to concentrate in class. The Health and Family Welfare Department instructed to administer the Albendazole Tablets.

**Outcome of the Activity:** The students benefited with Albendazole tablets in Fatima College.
