## SKILL TRAINING PROGRAMME ON “BATHING POWDER & MEDICINAL POWDER PREPARATION”

On March 22, 2022 ROSA extension, Fatima College Students of The Research Centre of Tamil, went to Kondayampatti village to participate in the “Skill Training Programme on Bathing Powder & Medicinal Powder hair oil Preparation”. Nearly 50 members including the Public, Youngsters, and Women Volunteers participated in this Skill Training programme.

Mrs. M.Susai Mary, the Bathing Powder & Medicinal Powder Preparation Trainer trained the Villagers to make the same in very many ways. The villagers enthusiastically participated and got trained. Skill trainer explained the procedure to make herbal soap powder, hair oil and herbal powder. The trainer explained the importance of preparing both the powders using household products. The president of Kondayampatti, Mr. Malaisamy appreciated the efforts taken by Fatima College.

During this pandemic period people always can't rely on allopathic medicines. So the students and staff decided to prepare some healthy concoction powder which can be made from simple household products. The villagers participated with full involvement and said that they will try those methods. The final products made by the students were given to the villagers. They also added that this skill training program was very useful to them and they felt grateful to it.

## SKILL TRAINING ON DECOMPOSED COCOPEAT

A skill training session on decomposed Cocopeat was organized in Nedungulam village on 23.3.2022. The Resource Person started his session by interacting more with the villagers about their agriculture. The villagers worried about the scarcity of water for cultivation. The Resource Person gave suggestions and encourage them to use decomposed cocopeat to reduce their water scarcity fro cultivation since decomposed cocopeat can store upto 60% of water in it. He showed the decomposed cocopeat and undecomposed cocopeat to know the difference. Then he introduced the new product ' pith plus' which was discovered by him. He then demonstrate how to decompose cocopeat using 200kgs of decomposed cocopeat, 2 kgs of urea, 5 packets of pith plus which was sponsored by Fatima college, Madurai. Villagers participate eagerly participate in it. The Resource person and villagers appreciated Fatima College, who arranged this training.
