Title : Preservation of Water Resources in Madurai

Date : 26.05.2022

Resource Person/s : MR. S.ELAMUHIL,
Center for Urban Water Resources (CURE),
DHAN Foundation, Madurai

No. of Participants : 192

Focus on : **Skill Development**

Outcome : Students got awareness about the preservation of natural resources and water bodies in particular

Students got to know the history and significance of villages and its folk deity worship

Report: The Lecture was started with the prayer song by II B.A History students and followed by formal welcome address by **Yohalakshmi** of III B.A History, Fatima College. Mr.Elamuhil, the resource person begins his lecture by asking what is history, what are the sources of history and what is the use of folklore and oral history in reconstructing the historical facts. He had stressed much about the significance of folk deities in holding several historical matters. Added examples of Esakiamman the folk goddess. "The Madayar community people also called as Karuppar whose profession was to open and maintain the Dams and Tanks even during the time of floods. After their rewarding sacrifice, they will be worshipped as a God of tanks and dams" said by Mr.Elamuhil the speaker. The speaker acquainted with several facts about three rivers; Vurudhammal, Sathaiyaru and Vaigai in Madurai and its traditional and cultural significance. The connection of these rivers and festivals with Alagar festivals were significant one. The literary references about these rivers and its cultural and religious ceremonies were highly informative and interesting as well.

The facts on historical importance of Madakulam tank and its contribution to the city's major revenue told by the speaker was phenomenal record. He also recite about the famous legendary story of "Lord Siva's Pittuku Man sumandha Kadhai" was interesting though it was a known thing.

Survey regarding the "arrival of foreign birds to Vandiyur Tank in the past years comparing to the recent years was misery and cannot retrieve" said by Mr.Elamuhil was imperative fact made the audience to think about preserving the water bodies and nature in general.

During the Discussion segment, four students asked and got clarifications for their questions. The questions asked by the students and the staff are as follows.

Q & A Section

1. A. Jelin Messia of III B.A History asked; can we go back to the old golden days in context of nature?

Reply of the speaker – Impossible. Because most of the natural resources have had transformed into either industrial or governmental plots as a part of modernization and industrialization.

2. K. Lakshmi Priya of III B.A History asked; How government is providing drinking water to public? How they are purifying the river water?

Reply of the speaker – 'R' 'O' Purification process only

3. A. Yohalakshmi of III B.A History asked; For Tharamirabarani river, many volunteer organizations working for the conservation and preservation of the river. Why don't for Vaigai?

Reply of the Speaker – Thamirabarani river is a perennial river. It plays crucial role in people's farming, business and other revenues. Moreover, people of Tirunelveli have very close contact with the river in terms of cultural and other river celebrations than Vaigai. Hence, there is more number of volunteer organizations involved. For Madurai also, we have good sum of organizations though not equalant to Thamirabarani.
