REPORT

The IQAC of Fatima College organized a Webinar on "**NEP 2020 - Potential Scope for Autonomous Colleges**" on **June 4, 2021** for all the teaching faculty of Fatima College. Dr Magdalene Abraham, Assistant Coordinator of IQAC& Associate Professor of the Research Centre of English welcomed the participants. Dr. G. Celine Sahaya Mary, Principal, introduced the resource person Dr. A. Mercy Pushpalatha, Program Consultant, South Asia Programmes, UBCHEA& former Principal, Lady Doak College, Madurai.

The resource person began the session by stating that the National Education Policy 2020 proposes a paradigm shift in the teaching learning pedagogy in all institutes of higher education. Dr. Ms. Mercy Pushpalatha focused on its impact on autonomous colleges and explained the need to become proactive so that the domain of HE could be revolutionized to meet the challenges. She identified the multi- disciplinary approach and the skill development programmes that promote better employment opportunities. There is a dire need for the HE institutions to judiciously combine research and academics that would facilitate multidisciplinary options. The students should be given the privilege of completing four-year integrated programmes in the institutes of their choice. This will enhance the quality of the Colleges on par with the international standards. Collaborative research, teaching and curriculum development would be another milestone of the NEP. The resource person emphasized the importance of the role of teachers as facilitators and curriculum designers in taking the autonomous colleges to greater heights. She also pointed out the need to practice Blended learning and Open Distance

REPORT

A one – day Faculty Enrichment Programme was successfully conducted by the IQAC of Fatima College on July 24, 2021. The FEP programme received an overwhelming response with around 190 teaching staff from Shift I and Shift II. The entire programme was moderated by Dr. S. Vidya, Coordinator of IQAC who invited Dr. Mary Magdalene, Assistant Coordinator of IQAC to welcome the Resource Person and the audience. In her welcome address Dr. Magdalene introduced the chief guest Dr. Alex, Associate Professor, Department of Commerce, St. Joseph's College (Autonomous) and briefed some of his academic achievements, highlighting his expertise in training the teachers and entrepreneurs. She then invited the Principal Dr. Sr. Celine Sahaya Mary to give the introductory comments. Sister Principal shared her views with the faculty participants about the importance of attending such enrichment programmes which would enhance their skills of teaching effectively.

The floor was then open to the Guest Speaker to address the audience who began by stressing upon the paradigm changes from black board-based teaching to modern ICT based teaching and the importance of using online tools for teaching and evaluation in present days. Dr. Alex quoted various examples from history and the life of the Greek philosophers to drive his point home. He also emphasised saying, “If teachers are not updated, they are outdated.”

Quoting Ron Kurtus, Dr. Alex explained how one can be happy in life. The resource person also narrated few anecdotes that made the session more lively, interactive and interesting. Throughout the programme the audience were very interactive and kept on participating and responding to the questions of the speaker. Dr. Alex also pointed out how a teacher has to

“learn, unlearn and relearn”; how a teacher has to be always ready to learn and facilitate the needs of the students in the classroom. The life lessons they were taught by the speaker were enriching and really those were the precious take aways of the day. It was absolutely an enriching session which had rejuvenated the teachers and made them once again enlightened and refreshed.

The latter part of the session was taken over by Dr. Saira Banu, Assistant Coordinator of IQAC who mediated the interaction and finally thanked the speaker and everyone virtually present.

- get out your thoughts
- foresee the result of your works such as imagining about its failures, and never worry about what others will think about it or me.

Eagle's Attitude could be an best example

- Fly high and alone- flies crossing so many obstracles.
- Loves storms
- Ever has the clear vision
- Never eats old things, never lives in the past or observe others.

Sr. Principal's Address

“And let us consider how to stir up one another to love and good works, not neglecting to meet together... but encouraging one another...

- Hebrews 10: 24 - 25

Warm greeting to the Principals, IQAC Coordinators and staff from the networking colleges. It is indeed gratifying to see four colleges coming together for the common cause of sharing knowledge, resources, skills and expertise. We embarked on this venture in Jan. 2019 and successfully networked in all of the mentioned areas. The fact that we have all agreed to continue with the memorandum of understanding speaks of the resolve to chalk out newer programmes to benefit the student community and the teaching fraternity.

It is heartening to note that all IQAC Coordinators have brought fresh perspectives, innovative ideas not to compete, but to share best practices. Some of the programmes were the skill training in Paper Recycling, Oil Extraction, Faculty Development Programme, Cyber Security Awareness Programme, providing basic amenities in villages and useful Webinars to name a few.

Benchmarking is a continuous process leading to superior performance. I am sure the efforts of networking will be a fruitful exercise.

I thank Dr. S. Rajeswari, Principal, Mangayarkarasi College, Mrs. D. Karthiga Rani, Principal, N.M.S. SermathaiVasan College, Dr. K. S. P. Durairaj, Principal, Senthamarai College, their respective managements and IQAC Coordinators for understanding the benefits of Networking and working productively to achieve shared goals. I wish the colleges the very best in all their endeavours. Thank you all for your presence.

REPORT

The principals of the four networking colleges along with the respective IQAC coordinators met to renew the memorandum of understanding. The meeting

2. Do I have loss of appetite/more appetite?
3. Am I unstable emotionally?
4. Do I have fear unnecessarily?
5. Has my attention level come down?

The positive response to these questions refer to environment oriented depression. There were other realms causing impact, she said. They were:

She specified how Fatima College functions as a family and not merely as an institution. She also underscored the belongingness every staff has towards our institution.

Referring to the next, Home, Dr. M. Meena Kumari said that we take the members of the family for granted and do not pay enough attention on them. We need to appreciate and thank each other, she mentioned. She emphasized to understand that the worlds of the men and the women are different. She urged them to accept the members as they are and should not treat the children as 'disclaimer'.

The last most important realm was the individual for which she narrated the story of a Buddha statue to the participants. In the story, the reality that the statue is made of gold was realized by the local people very late. Similarly, the real worth of our 'self' is not realized by many, she said. So, it

is of utmost importance to analyse the self. Then, she concluded by quoting from the book written by Mirolad, emphasizing the need for genuineness and disciplined life.

The participants were overwhelmed by the inspiring talk. Ms. Sahaya Hilda Mary proposed the vote of thanks. Ms. S. Alice Mary was the Master of ceremony.
