Tailoring Report

2022-2023

Women and young girls who are trained in WEAT are mostly from poor economic background facing lot of domestic violences and who are forced to take up the Responsibility of the family.

Tailoring Course for the academic year 2019-2020 began from the month of June 2019. It's a six month certified course, where 30 types of garments, ten hand embroidery and five handcrafts were taught. Professionally trained staff are appointed. Two batches were conducted in an academic year. It is offered to the under privileged women and young girls who are unable to go for higher education and who long to develop and empower themselves as an entrepreneur.

The students were taught the pattern making, rough sketching, pattern drafting method, cutting fabric laying and various types of sewing techniques. From Kerchief to pillow covers, skirts , tops frocks for kids , from nighty varieties, salwar suit types, blouse are all taught with technical and aesthetical details. They gain fabric knowledge, embroidery motifs and handcrafts.

Weekly tests were conducted for them. As a part of their course the students prepare practical albums and exams are conducted.

Total of 55 students were trained in the academic year 2019-2020. Apart from regular sewing classes they are given women empowerment awareness trainings, human rights, counseling and Leadership trainings which evolves them to become a successful women in the society.
