## BONAFIDE CERTIFICATE

This is to certify that the project report entitled "FABRICATION OF MAGNESIUM-ION CONDUCTING BATTERY WITH BIOMATERIAL MEMBRANE AS ELECTROLYTE BASED ON AZADIRACHTA INDICA (NEEM LEAF) AND MAGNESIUM NITRATE HEXAHYDRATE" is submitted to Fatima college, Madurai in partial fulfilment for the award of the degree of MASTER OF SCIENCE IN PHYSICS. This is the record of original project work done by J.AGNES at Materials Research Center, Madurai under the guidance of Dr.S. SELVASEKARAPANDIAN, Director, Materials Research Center, Coimbatore and Emeritus professor, Bharathiar University, Coimbatore and Dr.L.CAROLINE SUGIRTHAM, Associate professor, Research Centre of Physics, Fatima college, Madurai and submitted to Research Centre of Physics, Fatima College, Madurai.

## ACKNOWLEDGEMENT

### “GLORY TO GOD ALMIGHTY WHO GIVES US THE VICTORY”

We are grateful to **Dr. Sr. G. CELINE SAHAYA MARY**, Principal, Fatima College, Madurai for permitting us to carry out our project at Materials Research Centre, Madurai and also, I would like to thank **Dr . Sr. M. FRANCISCA FLORA**, Secretary, Fatima College, Madurai for her prayers and blessings.

I thank **Dr. A. SHEELA VIMALA RANI**, Head and Associate professor, Research Centre of Physics, Fatima College, Madurai for her constant support and encouragement in the successful completion of this project work.

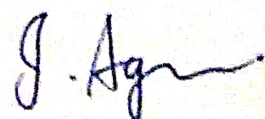

I am greatly indebted to **Dr. S. SELVASEKARAPANDIAN**, Director, Materials Research Centre, Coimbatore and Emeritus Professor, Bharathiar University, Coimbatore for his constant support and supervision throughout the project work and for initiating my interest in research. I owe a lot to him and express my deep sense of gratitude to him. I considered myself extremely fortunate to get an opportunity to work under him.

My indebted thanks to **Dr. L. CAROLINE SUGIRTHAM**, Associate Professor, Research Centre of Physics, Fatima College, for her constructive and sustained interest towards each and every stage of this work and her valuable suggestions throughout my project work.

We acknowledge project fund received under **DST CURIE** core Grant for Women PG Colleges **DST/CURIE-PG/2022/11**.

I thank **S. AAFRIN HAZAANA, N. MUNIRAJ@VIGNESH, R. MEERA NAACHIYAR, M. KANI AJAY BABU& P. MOHANAA MUTHUSELVI** , Research Scholars, Materials Research Center, Madurai for their constant support throughout this project work.

I thank my beloved parents **Mr. S. JOE RATHINAM** and **Mrs. J. ANTONY SAHAYA HELEN** for their motivation and support during this project & for giving me strength to chase my dreams. And also I would like to thank my friends for their valuable support.

## DECLARATION

I hereby declare that the dissertation titled **“OPTICAL STUDIES ON BORATE GLASSES MODIFIED WITH BARIUM OXIDE AND CALCIUM OXIDE FOR WHITE LIGHT EMISSION”** submitted to Fatima College (affiliated to Madurai Kamaraj University), Madurai for awarded of the degree of Master of Science in Physics is a record of original project ARUNAASHREE V (Reg.No: 2021MSCP02) under the guidance of Dr.Ancemma Joseph, Assistant Professor, Research Center of Physics, Fatima College, Madurai.

## ACKNOWLEDGEMENT

This academic pursuit drew inspiration from many sources. It is present Privilege to place my sincere gratitude to one and all who inspired and helped in this endeavor on the report. At the outset, I submit by heartfelt sincere, humble gratitude to the GOD ALMIGHTY, who has given strength for the successful completion of my course.

I wish to express my profound gratitude to Dr. Sr. G. Celine Sahaya Mary, Principal, Fatima College, for permitting me to do the project work at PG level.

I convey my heartfelt thanks to Dr. Ancemma Joseph, Assistant Professor, Research centre of Physics, Fatima College, Madurai for her excellent guidance constant encouragement, valuable ideas and deep concern to help to all along my project work.

I express my deep sense of gratitude to Dr. A. Sheela Vimala Rani, Head, Research Centre of Physics for her wise counsel, sincere and valuable suggestion throughout my project work.

I feel happy indebted to all faculty Member of Department of Physics, Fatima college, who provided their support, inspiration and suggestion to prepare this report.

I wish to express my deep sense of gratitude and indebtedness to Dr. K. Marimuthu, Assistant Professor, Department of Physics, The Gandhigram Rural Institute-Deemed to be University, Gandhigram for his esteemed guidance, invaluable help and fruitful suggestions throughout the course of my work.

I offer most sincere and humble gratitude to my beloved Parents who vested keen interest and kind encouragement in the progress and helped us financially.

I express my sincere thanks to my friends and my classmates for their moral support encouragement for my project work.

I wish to express my profound gratitude to Dr. Sr. G. Celine Sahaya Mary, Principal, Fatima College, for permitting me to do the project work at PG level.

I convey my heartfelt thanks to Dr. Ancemma Joseph, Assistant Professor, Research centre of Physics, Fatima College, Madurai for her excellent guidance constant encouragement, valuable ideas and deep concern to help to all along my project work.

I express my deep sense of gratitude to Dr. A. Sheela Vimala Rani, Head, Research Centre of Physics for her wise counsel, sincere and valuable suggestion throughout my project work.

I feel happy indebted to all faculty Member of Department of Physics, Fatima college, who provided their support, inspiration and suggestion to prepare this report.

I wish to express my deep sense of gratitude and indebtedness to Dr. K. Marimuthu, Assistant Professor, Department of Physics, The Gandhigram Rural Institute-Deemed to be University, Gandhigram for his esteemed guidance, invaluable help and fruitful suggestions throughout the course of my work.

I offer most sincere and humble gratitude to my beloved Parents who vested keen interest and kind encouragement in the progress and helped us financially.

I express my sincere thanks to my friends and my classmates for their moral support encouragement for my project work.

## ACKNOWLEDGEMENT

This academic pursuit drew inspiration from many sources. It is present Privilege to place my sincere gratitude to one and all who inspired and helped in this endeavor on the report. At the outset, I submit by heartfelt sincere, humble gratitude to the GOD ALMIGHTY, who has given strength for the successful completion of my course.

I wish to express my profound gratitude to Dr. Sr. G. CELINE SAHAYA MARY, Principal, Fatima College, for permitting me to do the project work at PG level.

I convey my heartfelt thanks to Dr. I. JANET SHERLY, Assistant Professor, Research Centre of Physics, Fatima College, Madurai for her excellent guidance constant encouragement, valuable ideas and deep concern to help to all along my project work.

I am greatly indebted to Dr. R. YUVAKKUMAR , Assistant Professor, Department of Physics, Alagappa University, Science Campus, Karaikudi, for his constant support and supervision throughout the internship work and for initiating my interest in research. I owe a lot to him and express my deep sense of gratitude to him. I considered myself extremely fortunate to get an opportunity to work under him.

I express my deep sense of gratitude to DR. A. SHEELA VIMALA RANI, Head, Research Centre of Physics for her wise counsel, sincere and valuable suggestion throughout my project work.

I feel happy indebted to all faculty Member of Department of Physics, Fatima college, who provided their support, inspiration and suggestion to prepare this report.

I offer most sincere and humble gratitude to my beloved Parents who vested keen interest and kind encouragement in the progress and helped us financially.

I express my sincere thanks to my friends and my classmates for their moral support encouragement for my project work.

## **BONAFIDE CERTIFICATE**

This is to certify that the work continued in the thesis entitled “ **SYNTHESIS AND CHARACTERIZATION OF MANGANESE DIOXIDE / REDUCED GRAPHENE OXIDE (MnO<sub>2</sub>/rGO) NANOCOMPOSITE BY CHEMICAL PRECIPITATION APPROACH** ” is submitted to Fatima College, Madurai in fulfilment for the award of the degree of Master of Science in Physics. This is the record of original Project work done by **Ms. PRINCY. J, 2021MSCP19, II-MSc Physics** at the **Centre for Nanoscience and Technology, Anna University, Chennai-600025** under the guidance of **Dr R.SELVARAJAN M.Tech., Ph.D., Centre for Nanoscience and Technology , A.C.Tech Campus , Anna University, Chennai-600 025** and **Dr. A. SHEELA VIMALA RANI, Associate Professor and Head, Research Centre of Physics, Fatima College, Madurai during December 2022 –January 2023.**

**Dr R.SELVARAJAN M.Tech., Ph.D**

Teaching Fellow,  
Centre for Nanoscience and Technology,  
A.C.Tech Campus,  
Anna University, Chennai-600 025.

**Dr. A. SHEELA VIMALA RANI**

Associate Professor and Head,  
Research Centre of Physics,  
Fatima College(autonomous),  
Madurai -625018.

## ACKNOWLEDGEMENT

### “GLORY TO GOD ALMIGHTY WHO GIVES US THE VICTORY”

We are grateful to **Dr.Sr.G.CELINE SAHAYA MARY**, Principal, Fatima College, Madurai, for permitting us to carry out our project at Anna University, Chennai, and also, I would like to thank **Dr.Sr.M. FRANCISCA FLORA**, Secretary, Fatima College, Madurai for her prayers and blessings.

I wish to express my deep sense of gratitude and Sincere thanks to my guide **Dr .R.Selvarajan**, (Nano Science and Technology), Teaching Fellow, Centre for Nanoscience and Technology, AC Tech Campus, Anna University, Chennai, for his constant support, valuable advice, inspiration, encouragement and for extending the laboratory facilities to complete this work and supervision throughout the Project work. I considered myself extremely fortunate to get an opportunity to work under him.

I am grateful to **Dr.A.SHEELA VIMALA RANI**, Head, Research Centre of Physics, Fatima College, Madurai, for her valuable suggestions throughout my project work and for her constant support and encouragement in the successful completion of this project work. We acknowledge project fund received under DST CURIE core Grant for Women Colleges DST/CURIE-PG/2022/11

I am extremely thankful to Research Scholars, Centre for Nanoscience and Technology, AC Tech Campus, Anna University, Chennai for their encouragement, support in every phase of this work.

Finally, I take this opportunity to express my lovable and heartfelt thanks to my beloved parents **Mr. R.JOHN PETER** and **Mrs. J.AROKIA MARY**. for their constant support and encouragement to me during this project

J.Princy  
(J.PRINCY)

## DECLARATION

I hereby declare that the project work in this thesis entitled "SYNTHESIS AND CHARACTERIZATION OF MANGANESE DIOXIDE/REDUCED GRAPHENE OXIDE (ZnO/rGO) USING CHEMICAL PRECIPITATION TECHNIQUE" submitted to Fatima College in partial fulfillment of the requirements for the award of the degree "Master of Science in Physics", is the record of original Project work done by me for under the guidance of Dr.A.Sheela Vimala Rani, Head and Associate Professor, Research Centre of Physics, Fatima College, Madurai. and Dr. R. Selvarajan, (Nano Science and Technology). M. Tech PhD, Teaching Fellow, Centre for Nano science and Technology, AC Tech Campus, Anna University, Chennai. It has not been submitted for the award of any Degree/Diploma in Madurai Kamaraj University or any other university/institutions.

## ACKNOWLEDGEMENT

This academic pursuit drew inspiration from many sources. It is present Privilege to place my sincere gratitude to one and all who inspired and helped in this endeavor on the report. At the outset, I submit by heartfelt sincere, humble gratitude to the GOD ALMIGHTY, who has given strength for the successful completion of my course.

I wish to express my profound gratitude to DR. Sr. G. CELINE SAHAYA MARY, Principal, Fatima College, for permitting me to do the project work at PG level.

I convey my heartfelt thanks to Dr. I. JANET SHERLY, Assistant Professor, Research centre of Physics, Fatima College, Madurai for her excellent guidance constant encouragement, valuable ideas and deep concern to help to all along my project work.

I am greatly indebted to Dr. R. YUVAKKUMAR , Assistant Professor, Department of Physics, Alagappa University, Science Campus, Karaikudi, for his constant support and supervision throughout the internship work and for initiating my interest in research. I owe a lot to him and express my deep sense of gratitude to him. I considered myself extremely fortunate to get an opportunity to work under him.

I express my deep sense of gratitude to DR. A. SHEELA VIMALA RANI, Head, Research Centre Of Physics for her wise counsel, sincere and valuable suggestion throughout my project work.

I feel happy indebted to all faculty Member of Department of Physics, Fatima college, who provided their support, inspiration and suggestion to prepare this report.

We acknowledge project fund received under DST CURIE core Grant for Women PG Colleges DST/CURIE-PG/2022/11.

I offer most sincere and humble gratitude to my beloved Parents who vested keen interest and kind encouragement in the progress and helped us financially.

I express my sincere thanks to my friends and my classmates for their moral support encouragement for my project work.
