In chapter 4, I have described my experience in week by week. It contains challenges that I had faced during the internship experience.

The last unit of this report contains the suggestions and the conclusion drawn from the observation and conclusion.

CHAPTER-1

INTORUDCTION

This report is a short description of my one-month internship was carried out within the BLUE BERRY CAKES AND BAKES consultancy on 15th May to 15th June.

At the beginning of the internship, I formulated several learning goals, which I want to achieve.

- ☐ To understand the function and working conditions of an organization.
- ☐ To gain more skills and knowledge through this internship.
- ☐ To learn about the organizing, planning, preparation, permissions etc.,
- ☐ To get experience in an environment.
- ☐ To enhance my communication skills.
- ☐ To build network

This internship report contains my activities that I have contribution to achieve the above stated goals.

OBJECTIVES:

- This report intended to reflect my achievements, project involvement and professional growth during the intern period.
- This study is related to the marketing and accounts.
- Helps to develop the skill on recording fee's structure.
- It helps to learn about professionalism and leadership
- To gain essential knowledge

SCOPE:

The report gives an insight of the experience that I faced in my workplace at Blueberry cakes and bakes. It is an opportunity for me to improve my career exploration.

CHAPTER-2

VISION:

Our vision is to continually provide our customers products that are superior in quality and to be perfect items.

MISSION:

We strive to bring joy and happiness to people best and quality cakes and desserts. We aim to do the best in our business and selecting only the best quality ingredients and guaranteeing ingredients and guaranteeing freshness.

BAKERY MEANING

A Bakery is an establishment that produces and sells flour-based food baked in an oven such as Bread, Cookies, Cakes, Doughnuts, Bagels, Pastries, and Pies. Some retail bakeries are also categorized as cafes serving coffee and tea to customers who wish to consume the baked goods on the premises.

Confectionery items are also made in most bakeries throughout the world.

COMMERECIALIZATION

In many countries, many grocery stores and supermarkets sell “slice bread” cakes and other pastries. They may also offer In-store baking, with products either fully baked on site or part-baked prior to delivery to store, and some offer cake decoration. Nonetheless, many people still prefer to get their baked goods from a small artisanal bakery. Either out of tradition, the availability of a greater variety of baked products, or due to the higher quality product.

On 4th week I came to know about the account's details of the sales of day-by-day and the receipt and payment details was managed by own and I was controlled the accounts details of goods and services.

CHAPTER – 5

SUGGESTION:

- The changed user behaviors due to permanent information and price

transparency, and the demand for individualism, regionalism, organic products and sustainability.

- Growing legal requirements and high retail standards.
- Cost pressure due to pricing requirements in the industry's market leaders and increasing raw material costs.

CONCLUSION:

Overall, internship is really a fruitful and successful program. It helps to enhance and develop my skills, abilities, and knowledge. It was good experience and memories as not only I have gained experience but also new environment workplace. Blueberry cakes and bakes also a good place to do the internship since. It provides numerous benefits and advantages to the practical trains.

The treatment by the shop was just equitable and professional. I have learned more from different units and people. They also helped to handle some of my weakness and

provided guidance to me whenever I am in need. I wish the internship program will make as a core subject. At last, this internship has given me new insights and motivation to pursue a career.

EXECUTIVE SUMMARY

This report is about the Summer Internship program with the Usha Stores. In this report I have tried to list the overall aspects of the internship experience.

Chapter 1 includes the introduction, scope, and objectives of an internship.

Chapter 2 it deals with the shop profile, vision, mission, and the function of shop and the service provided by the customers.

Chapter 3 described the assessment of internship and the overall benefits that I have gained from this internship experience and the work involvement in our workplace.

In chapter 4, I have described my experience in week by week. It contains challenges that I had faced during the Internship experience.

The last unit of this report contains the suggestions and the conclusion drawn from the observation and conclusion.

CHAPTER-1

INTRODUCTION

This report is a short description of my one month Internship experience. The internship was carried out within the USHA STORE on

At the beginning of the internship, I formulated several learning goals, which I want to achieve:

- ☐ To understand the working method of grocery.
- ☐ To gain more skills and knowledge through this internship.
- ☐ To learn about the organizing, planning, preparation, Permissions etc.,
- ☐ To get experience in an environment.
- ☐ To enhance my communication skills.
- ☐ To build a network.

The internship report contains my activities that I have contributed to achieve the above stated goals.

OBJECTIVES:

This report intended to reflect my achievement, project involvements and professional growth during the intern period.

This study is related to the Usha Stores.

SCOPE:

Helps to develop the skills on marketing field.

It helps to learn about professionalism and leadership.

To gain essential knowledge.

The report gives an insight of the experience that I faced in my workplace at Usha store. It is an opportunity for me to improve my career exploration.

CHAPTER-2

- ✓ Understanding the customers need and working accordingly.
- ✓ Making recommendation and clients and presenting to them.
- ✓ Group discussion with co-workers to keep attracting the customers.
- ✓ Developing and implementing new procedure.
- ✓ Identifying the customers issues and solving them.
- ✓ Analyzing statistics.
- ✓ Balancing the pros and cons of y applying the possible strategy.

CHAPTER-4

DESCRIPTION OF INTERNSHIP EXPERIENCE:

- ❖ Overall this internship was a useful experience. I have gained new knowledge, skills and met many customers. Through this I achieved several learning goals.
- ❖ I have learned the different facts by working with the Usha store.
- ❖ Related to my study I have learned more about the marketing field work.
- ❖ Through this internship I can be able to find out my strength and weakness.
- ❖ It also helped me to identify the skills and knowledge that I must improve in the upcoming years.

LEARNING EXPERIENCE:

1st week (10th to 17th May)

During the 1st week I learned about the products available in the retail shop that I worked. I got to know about the products availability and its scale of sale. It was very exciting to work in a new place.

2nd week (18th to 24th May)

On the 2nd week I came to learn about their purchase of goods for their company. And also the collaborations they have with the other retail shop and some wholesale shops.

3rd week (25th to 31st May)

From 3rd week I have learned about their business tactics, skills, and knowledge of their fixation of the price over the products. I am able to know about their profits of their business. Following I came to know about their strategy of balancing the profits and loss of the business.

4th week (3rd to 10th June)

During the 4th week I came to know about the payments, billing, and tax payments of their retail shop. Finally I got knowledge and skills about the retail shop and premises.

SUGGESTIONS:

1. I suggest them to develop their business by providing new computer systems.
2. I requested them to change their transaction mode on online way.
3. Also I suggested them to increase their no of employees to develop their business in high level.

- ☐ They can have some more vehicles to increase door delivery.
- ☐ They can widen their business by standing up a new branch.
- ☐ Encouraged them to do online business
- ☐ Gave idea to promote advertisement for their shop.
- ☐ Should set up CCTV camera for the safety purpose.

CONCLUSION:

Overall internship is really a useful and

successful program. It helps to enhance and develop my skills, abilities, and knowledge. It was a good experience and a memorable memory as not only gained experience but also a new environment workplace. USHA STORES is a good place to do the internship since it provides numerous benefits and advantages to the practical trainees.

The treatment of the retail shop was equitable and professional. I have learned more from different units and people. They also helped me to handle some of my weakness and provided guidance to me whenever I am in need. I wish the internship program will make a core subject. At last this internship has given me insights and motivations to pursue my career.
