COURSE DESCRIPTION

This course deals with the study of Herbs intended for medicinal purposes

COURSE OBJECTIVES

- To know the principles and practices of traditional medicines.
- To demonstrate basic skills in identification of herbs and preparation of herbal drugs

UNIT –I TRADITIONAL MEDICINE

(8HRS.)

Traditional systems of Medicine - History of Herbs – Definition of Herbs – Different systems of Medicine –Ayurveda, Unani, Siddha and Homeopathy- AYUSH – Central government Organization.

Self-study- AYUSH – Central government Organization.

DEPARTMENT OF MBA

In order to motivate the advanced learners' workshops, training sessions and guest lectures are organized to enhance their skills.

II MBA students Discussion in Peer Group learning

Club activities as workshops with hands-on session to improve students programming skills and event management skills are made once in a week for both I and II MBA Students. Students were given opportunities to conduct club activities which promote their skills in group discussions, case analysis and presentations. Each and everyone had the opportunities to share the latest business news during club activity. Students had created an advertisement and acted in it. They promoted famous places in India, its culture, traditions etc. this activity helped students to exhibit their abilities to promote events. Students played and performed various activities to promote their skills.
