24/8/2022	Santhiya S 2022ST19	She did a mistake, the teacher pointed out her mistake but she didn't realize her mistake. Instead she argued with the teacher.	I made her realize her mistake by advising that she should only argue when it is necessary and the way of argument should be respectful & kind to elders.
24/8/23	J. Pavithra 2022ST16	The way she talks & her behaviour is disrespectful during the class hours.	I advised to change her behaviour and also told her how to give respect to elders which will reflect her as a good person to others.
