DISSECTION MONITORING COMMITTEE TO MINIMIZE USE OF ANIMALS IN DISSECTION

DEPARTMENT OF ZOOLOGY

As per the Guidelines of University Grants Commission (UGC) for the discontinuation of dissection and animal experimentation in Zoology, the Dissection Monitoring Committee (DMC) was constituted in the Department of Zoology, Fatima College in the year 2013. The Members of DMC are :- Head, Department of Zoology (Convener & Chairperson), Two Senior Faculty members from Department of Zoology, One Faculty from related Science Department and One Faculty from the Department of Zoology of neighbouring Institutions. The tenure of DMC is two years. Dissection Monitoring Committee (DMC) Meeting is conducted annually to scrutinize and approve the syllabi of the Practical Courses. The committee monitors the minimized use of animals in dissections and Laboratory exercises. The committee also ensures whether the animals permitted to be used for dissection and Laboratory exercises are ethically procured from sources following all research ethics norm.

RESEARCH ADVISORY COMMITTEE/STUDENT RESOURCE FORUM

The Students' Resource Forum is an active students' wing of the Research Advisory Committee (RAC). The members of RAC motivate students to undertake various research projects.

The Students' Resource Forum has initiated projects which would be presented in Exploria, an annual intercollegiate research fest. Around 28 teams of 146 participants representing Shift I and 20 teams of 93 members from Shift II courses of the host institution had sent abstracts. 15 teams of 35 participants from across the state competed in the Research Fest EXPLORIA 2023, conducted on March 2, 2023.

The RAC reviews the research activities and plans ways and means to create a research culture on campus by developing the research acumen among staff and students. The Management through RAC provides seed money to staff members.
