Report:

The Research and Development Cell & Intellectual Property Rights Cell of Fatima College in collaboration with the Fatima College Alumnae Association (FCAA) organised a National Seminar on 15 February 2023 on the topic Research and IPR for Sustainable Development.

The inauguration began at 9.30A.M. with the ceremonious lighting of the lamp by the dignitaries. **Dr. S. J. Kala**, Dean of Research and Associate Professor, Research Centre of English, welcomed the gathering. Around 250 participants including students, staff and research scholars from various colleges in and around Madurai along with 900 students, staff and research scholars from the host institution took part in the seminar. The total number of beneficiaries of the National Seminar is 1150.

In her inaugural address, **Dr. Sr. G. Celine Sahaya Mary**, Principal, emphasized the need to make judicious use of the natural resources and to sustain them. She reminded the participants about the United Nations 2030 Agenda for universal peace and prosperity. The

Principal motivated the students and researchers to develop reading culture and to make optimum use of the library resources.

Dr. S. C. B. Samuel Anbu Selvan, Associate Professor, Research Centre of Commerce, The American College, Madurai, gave a special talk. In his talk, Dr. Anbu Selvan motivated the participants to explore the availability of government opportunities for pursuing research. He also wanted the young researchers to hone their research skills. The technical session on NUANCES IN RESEARCH was also handled by Dr. Anbu Selvan. He briefed on the important components of research like Abstract, Review of literature, identifying research gap, methodology and research tools. The talk ended with interesting Q&A session.

The second technical session on RESEARCH AND INNOVATION IN HIGHER EDUCATION was handled by **Dr. S. Sudhakar**, Professor, Department of Biotechnology, Manonmaniam Sundaranar University, Tirunelveli. The speaker captivated the attention of the participants by throwing light on how critical and innovative thinking could create breakthrough in the world of research. His deliberations focussed on how new findings are possible when viewed differently. The session was very interactive.

The post-lunch session began with the technical session on CREATIVITY, INNOVATION AND DESIGN THINKING handled by **Dr. C. Sekar**, Department of Bio-Electronics and Bio-Sensors, Alagappa University, Karaikudi. Besides focussing on creative innovation and design thinking, Dr. C. Sekar spoke on applicability of research and IPR in bioelectronics and biosensors. His intellectual ponderings on material science were an eye-opener to the young researchers. **Dr. K. Sakthipandi**, INSA Visiting Scientist, Department of Inorganic and Physical Chemistry, Indian Institute of Science, Bangalore, was the chief guest for the valediction. In his valedictory address, Dr. K. Sakthipandi gave an overview of Intellectual Property Rights and described the various forms of IPR. He also enlightened the audience on the Patent Offices in India, Trademark symbols, deceptive similarities in logos, designs and of how novel ideas can be patented. Dr. K. Sakthipandi spoke about The Rajiv Gandhi National Institute of Intellectual Property Management at Nagpur that renders education in the field of Intellectual Property Rights.

The vote of thanks was proposed by **Dr. M. Arasammal**, Dean of Research (SF), Fatima College. The seminar ended with the national anthem.
