REPORT

On the advent of the 75th Indian Independence day, The Rotaract club of Fatima College conducted a debate session on the topic "Ahimsa was the best way to get independence- Yes? or No?", on the 5th of August, 2022. The debate sought to bring out the inner opinions of the students and also refine their public speaking skills.

Students shared their to and fro ideologies regarding the topic. It was a very thought-provoking activity for them. Following that, they were asked about the various events that shaped the freedom struggle of India. The students covered a myriad of different significant incidents that paved the path to independence. Furthermore, they were asked to elaborate on the freedom fighters that inspired them the most. This kick-started a wonderful discussion among the students where many took the opportunity to express their knowledge.

This activity was extremely informative as many lesser-known revolutionaries got their deserving limelight that day. The event concluded with a periodic timeline of the entire Independence movement delivered through a speech by R. Swarna Meena from the Department of Journalism and Mass Communication. Altogether, the session encouraged students to voice their opinions and thoughts. They also gained knowledge about numerous unpopular freedom fighters and realized the need to learn more about these unsung heroes.
