She motivated the students to stay healthy and live healthy with balance and regular medical checkup. She emphasized that success of an individual is working with society not for society. Students should develop the regular habits of reading newspaper to update the current societal news. She motivated the students to develop self-esteem, and self-confidence to lead a successful life. She motivated the students to empower themselves to face and tackle the societal problems. She pointed out that students should be mentally matured and healthy to render their service to the society.
