PHYSICAL STOCK VERIFICATION OF COMPUTERS IN THE CAMPUS 2022-2023

The stock verification of the computer system is carried out in the campus. All the computer systems in the campus have been counted and uniquely numbered from FCC0001 to FCC0769. From FCC0654 to FCC0716 are replaced with new system. The said computer configuration details have been physically verified by the staff members and also a QR code is generated for each computer. The same have been provided in this stock register with system details entered. Further, the stock details entered are physical verified and found correct.
