Fatima Hostel creates an excellent milieu for the rural and economically poor students, particularly the first generation learners and slow learners and helps them excel in their academics. The Hostel administration ensures the safety and security of the students in the hostel through a dedicated team of hostel committee. The entire hostel is under the surveillance of CCTV. Enhanced Aqua water facilities are offered. Separate dustbins are kept at various places for degradable and non bio degradable wastes. In addition to the existing sumps, a rainwater harvesting sump is constructed connecting Mary's own and Medona buildings. The hostel facility helps the students in utilising their valuable time for study.
