BRIDGE COURSE 2022-2023 **26.07.2022 – 04.08.2022**

The Research Centre of English conducted Bridge Course for all the first year undergraduate students from July 26, 2022 to August 4, 2022. Bridge course is offered every year to help the freshers get acclimatized to the new and challenging learning ambiance in college. The learning material is designed to hone all the macro skills of the learners. Profuse use of pedagogical techniques and audio visual materials facilitated effective teaching and learning.

Based on the marks obtained in the entry level English Attainment Test (EAT), the students were categorized into 3 streams namely Basic, Intermediate and Advanced and were into 11 sections. Every section had students from different departments as they were streamlined based on their marks. 36 students of II MA English acted as student facilitators and assisted the teachers in handling classes. A total number of 576 beneficiaries were benefitted by the course.

The course was designed integrating the four language skills namely listening, speaking, reading and writing. The students were made to interact and participate in language tasks and games that included components like vocabulary, grammar, short conversations, debates and continuous writing.

The valediction of the course took place on 04.08.2023. Students gave both written and oral feedback. The feedback questionnaire was based on the personal, psychological impact and general evaluation of the course, teachers and volunteers. The students were happy and satisfied with the course and felt motivated to improve their English language skills during the course of their stay in the college.

I realized that it is a bridge between school and college which helps us to improve our communication skills in English. It helps us to interact with others without fear. I love my professors who guide us in

The professors play a major role like a pillar in this course. The motivational videos which were shared in this course are so beautiful. The professors are new for us and we are new for them. But they speak with us very friendly. I like that attitude. I love this bridge course and I love my professors (Dr. Priya ma'am, Dr. Arunadevi ma'am). I come to my college from my school through the bridge which I had built with the help of bridge course.

BRIDGE COURSE 2022-2023

26.07.2022 – 04.08.2022

The newly joined aspirants were provided a comprehensive language training programme by the Department of English (SF) at Fatima College, Madurai from 26.07.2022 - 04.08.2022. On the commencement of the academic year, to minimize the gap between the school and college curriculum they take up the language sessions. The meticulously framed training programme exclusively for the freshers focused at enhancing their skills in English grammar, comprehension, vocabulary, listening and speaking skills.

The students wrote a preliminary test - the English Attainment Test before the onset of their classes. The test is organized to streamline the students for the General English classes. After the completion of the Bridge Course, the students will be attending their English classes depending on the marks they secured in the English Attainment Test. The test was conducted on 25-07-2022 and 362 students wrote the test. The newly joined students of the UG programmes in the self financing streams took the 60 minutes test. Before the test, instructions were given by the teachers about how to write the test to aid the newcomers. Students wrote for hundred marks for the EAT test.

The staff in charge of the Bridge course program from the Department of English (SF) formed WhatsApp groups for their corresponding class students. The classes were divided according to their marks they secured in EAT. The information regarding the room allotment for the classes were shared in the what Sapp group and the classes were handled in respective classrooms. Students were also engaged with e-learning resources in smart room classes. Faculty from other departments in self-financing section also volunteered to handle the bridge course classes.

The training for the new students was taken for three hours a day from 10.30 a.m. - 1.30 p.m. To enhance their spoken English skills and improve their vocabulary, the students were given resourceful learning materials. On the first day of the Bridge course session
