PROGRAMMES FOR ADVANCED LEARNERS

DEPARTMENT OF HISTORY

Objectives

- Advanced Learners are assigned to teach the slow learners in the lower classes and
  their classmates.
- Title is given to them for taking Seminar.
- They are given opportunity to organize the Department Association meetings and Deliver Master of Ceremony, Vote of Thanks and Welcome address.
- Encourage them to participate inter-collegiate and college program, quiz competition, panel discussion and cultural programs.

Practices:

- Guiding for career planning.
- Discussion or seminar on advanced topics.
- Guiding the students for Competitive Examinations.
- Encouraging to participate in various symposiums like quiz, Speech competition and inter institution competition etc.

Outcomes:

- Advanced learners can develop their leadership quality.
- They can develop the skill of Spoken English.
- They can get rid of stage fear.
- In future they will become good leaders and placed in administrative works.

DEPARTMENT OF PHYSICS

- Courses for Advanced Learners

FATIMA COLLEGE (AUTONOMOUS) MADURAI-18

M.Sc.Physics- IV SEMESTER

Batteries and its applications – Self Learning

(For those who joined in June- 2022 onwards)

PROGRAMME CODE	COURSE CODE	COURSE TITLE	CATEGORY	HRS/WEEK	CREDITS
PSCH	22PG4SLCP	Batteries and its applications	Self Learning	-	2

Objective: This course gives a detailed study of electrochemistry and Batteries

Units

Unit I

Galvanic cells and EMF – electrode reactions – electrode potentials and cell reactions – representations of electrodes – sign conventions.

Unit II

Electrochemical series– measurements of EMF- Construction of electrochemical cells – Applications.

Unit III

Types of Batteries (Primary and secondary Batteries)

Unit IV

Lithium Ion Batteries , Advantages and disadvantages- How Li-Ion Battery Works?

Unit V

Clean Energy Institute - Super capacitor battery, Charging and Working.

COURSE OUTCOMES

On the successful completion of the course, students will be able to:

CO 1 Use Nernst equation to calculate theelectrode potential and emf of electrochemical cells

CO 2 Study the applications of electrochemical measurements

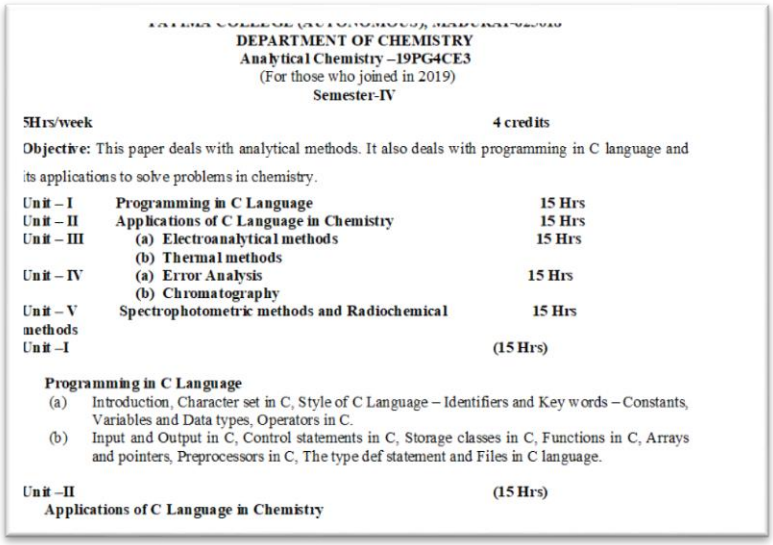
DEPARTMENT OF CHEMISTRY

Department of chemistry is adopting various healthy practices for advanced learners.

- **Department of chemistry offers i) Analytical Chemistry – 19PG4CE3 for advanced learners for M.Sc., students during their IV semester from the academic year 2017-2018 onwards.**



DEPARTMENT OF CHEMISTRY
Analytical Chemistry –19PG4CE3
(For those who joined in 2019)
Semester-IV

5Hrs/week 4 credits

Objective: This paper deals with analytical methods. It also deals with programming in C language and its applications to solve problems in chemistry.

Unit – I	Programming in C Language	15 Hrs
Unit – II	Applications of C Language in Chemistry	15 Hrs
Unit – III	(a) Electroanalytical methods	15 Hrs
	(b) Thermal methods	
Unit – IV	(a) Error Analysis	15 Hrs
	(b) Chromatography	
Unit – V	Spectrophotometric methods and Radiochemical methods	15 Hrs

Unit –I (15 Hrs)

Programming in C Language

(a) Introduction, Character set in C, Style of C Language – Identifiers and Key words – Constants, Variables and Data types, Operators in C.

(b) Input and Output in C, Control statements in C, Storage classes in C, Functions in C, Arrays and pointers, Preprocessors in C, The type def statement and Files in C language.

Unit –II (15 Hrs)

Applications of C Language in Chemistry

II. Advanced learners – Various Activities

- Advanced learners are motivated to present papers in various institutions.
- They are also taking part in quiz competitions conducted in various institutions and got prizes.
- They are working on mini projects and presentations for the RAC forum at our college, where they have won prizes and medals.

- Students were participated in chemfest, chem act & Ms. Chemist in other colleges got prizes

CRASH COURSE- DEPARTMENT OF CHEMISTRY
PHARMACEUTICAL AND DIAGNOSTIC CHEMISTRY

I - PATHOLOGY: **(20 Hrs)**

Routine haemotological tests- H , Tc , Dc , ESR, anaemia, types, grouping blood sion, cross- matching.

II - BIOCHEMISTRY : **(20 Hrs)**

Sugar, urea, creatinine, cholesterol, Bilirubin, Lipid profile, Liver fn tests, Kidney

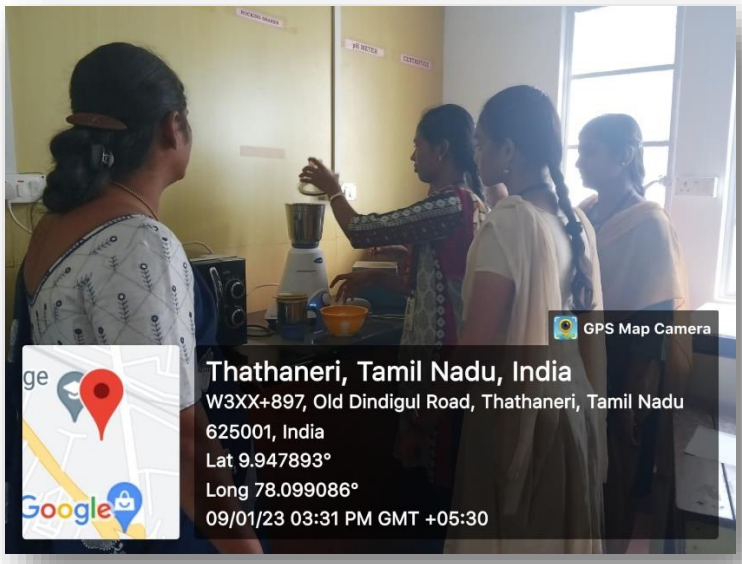
III - MICROBIOLOGY : **(20 Hrs)**

Classification of micro organisms, staining procedure, type of media, handling robiological samples, ECG- technology.

DEPARTMENT OF MATHS

Students are enrolled in online courses

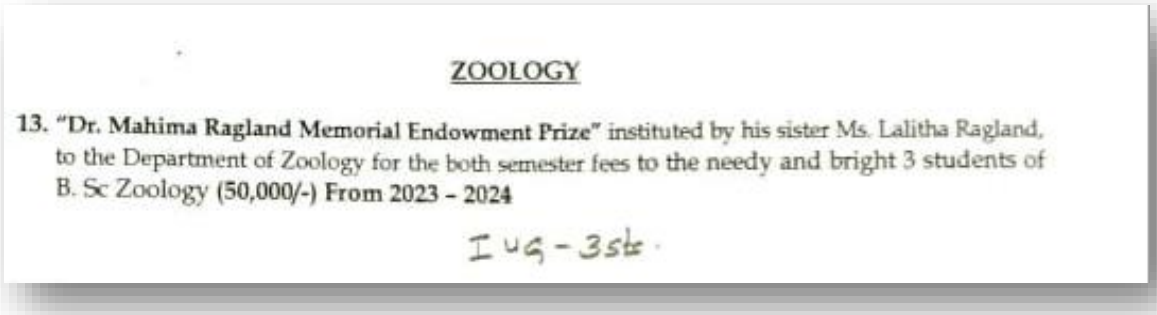
DEPARTMENT OF ZOOLOGY



Students involved in hand on training sessions during the Certificate Course on Herbalism and Health Care

Students taken to a field visit to a Rabbit Farm as a part of Certificate Course on Livestock Farming

Students who are advanced learners and come from economically disadvantaged backgrounds receive encouragement through the Memorial Endowment Prize.



ZOOLOGY

DEPARTMENT OF MBA

At the time of commencement of the MBA classes, the different requirements of the students are acknowledged and due consideration is given with a strategic approach. Both I and II MBA students are given training on communication skills, personality development, time management, stress management, motivational sessions and leadership skills. To gain better understanding of the accounting and other quantitative papers, I MBA Students are given with an orientation programmes with the help of well trained MBA faculty team. In order to motivate both the slow and advanced learners' workshops, training sessions and guest lectures are organized to enhance their skills. Club activities as workshops with hands-on session to improve students programming skills and event management skills are made once in a week for both I and II MBA Students.

Advanced learners:

- **Well performing students are identified on the basis of Classroom participation, continuous internal assessment, semester examination performance and involvement in other departmental activities.**
- **Students are motivated to participate in group discussions, case analysis and classroom presentations to improve their presentation skills.**
- **Various club activities are conducted by all the MBA Students in the respective areas to mould the students in corresponding field.**

- **Extra credits are given to the students by providing a facility to take up an elective course as certificate course for them and allowed to write only internal exams and separate certificates will be provided for them.**
- **Students are encouraged to take up micro projects to inculcate research orientation and practical awareness in the 2nd year apart from the regular mini and major projects.**
- **Bright and diligent students are motivated and inspired to get good CGPA Scores.**

Advanced Learners

Students were given opportunities to conduct club activities that promoted their skills in group discussions, case analyses, and presentations. Each and every person had the opportunity to share the latest business news during club activities. Students created an advertisement and acted in it. They promoted various Novel products with the Marketing 4 P's.This activity helped students exhibit their abilities to promote products. Students played and performed various activities to promote their skills.

DEPARTMENT OF JOURNALISM AND MASS COMMUNICATION

PROGRAMMES FOR ADVANCED LEVEL LEARNERS

Vikatan Student Reporters

M. Swarna Meena of III JMC and V. Kamali Muthu of II JMC, totally two students from JMC, participated in the Vikatan Student Reporters Scheme for one year. This advanced learners' training program provided them with valuable opportunities to enhance their reporting skills, gain practical experience in journalism, and develop a deeper understanding of media dynamics. Throughout the year, they contributed articles, participated in workshops, and interacted with industry experts, honing their writing, communication, and critical thinking abilities. Their involvement in the program significantly contributed to their academic growth and career aspirations in the media field.

Spectrum Club Office Bearers

Spectrum, the official club of Department of Journalism and Mass Communication, actively engages students through workshops and field visits. Exceptional students are invited to join the club's cabinet, where they drive initiatives and organize diverse programs for the student community, fostering leadership and holistic development.
