### Report:

The Zoology Association (ZOA) of PG Department of Zoology, Fatima College organized a State Level Intercollegiate Meet in commemoration of World Wild Life Week on 27.09.2023 on the theme “Wildlife Conservation”. Plant and animal species are the cornerstones of healthy ecosystems. When a species is put at risk of extinction, it means that the ecosystem is deteriorating. Every species that perishes contributes to the extinction of other species in its environment. Healthy ecosystems are necessary for humans to maintain a clean environment. Students from various Colleges like Thiagarajar College of Arts and Science, The American College, Lady Doak College, Sourashtra College, The Madura College, G.T.N. College, SFR College, VHNSN College, Jayaraj Annapackiam College for Women, Pope’s College and JKK Natrajara Arts and Science College enthusiastically participated in the competitions. Dr. Sr. G. Jenita Rani, Vice Principal, Fatima College, delivered the valedictory address and congratulated the students for their participation and efforts. She also distributed the prizes to the winners and the Department of Zoology, The American College bagged the overall shield. Dr. N. Nagarani, Assistant Professor, Department of Zoology, Fatima College, delivered the Vote of thanks.
