### **Report:**

The Zoology Association (ZOA) of PG Department of Zoology, Fatima College organized a guest lecture on Job Opportunities in Healthcare ITES on 02.02.2024. The chief guest Mr. P. Samuel Ericson, Trainee Manager, Healthcare Information Technology Enabled Services, Madurai, delivered a lecture on Medical Coding. He gave an insight on the career growth opportunities in medical coding. He insisted that, as the healthcare industry continues to expand, there is a growing demand for skilled medical coders who can accurately assign codes to medical diagnoses and procedures for billing and insurance purposes. The alumnae of their institute also shared their experiences with the students and motivated to become medical coders as they can earn a good salary. The students were highly motivated and inspired by this lecture. Finally the program came to an end with the vote of thanks. The students from department of Physics, Chemistry, Home Science also participated in this programme.
