The department of Computer Science organized Guest Lecture on "Experience of Job in IT Industry" and it was delivered by Ms. Dharani Priya. S, alumna Student of Department of Computer Science.

This Lecture focused on the self-development and knowledge gained by the speaker. The speaker shared her experience and gave guidance to increase the Students verbal communication and to develop tech knowledge which is an indispensable one. She gave the students a brief idea about the placements and various platforms for their career. She advised the students to learn extra foreign languages and also to participate in move competitions apart from studies. She gave the students tips on various online courses and interview procedures. She enlightened the students to "Never let an opportunity".

During the end of the lecture the students were very interactive with the speaker with questions related to skills to develop and how to overcome the barriers and fear.

She concluded the lecture by sharing the experiences of the IT industry and its vitals.
