Then our resource person Mr.Mohammed Sarfaraaz took over the session. He told many things related to banking sector. Banking sector is the one which plays a major role in all type of sectors. Even in the crisis happened in 2018, many banking system failed but Indian Banking system didn't failed. And everyone chooses banking sector because it has high paying job consists of many perquisites. He said about the classification of banks.

He briefly said about RBI. Reserve Bank of India's head is our Governor. RBI is in 36 places. The major work of RBI is to create monetary policy and providing interest. RBI's Money printing system are there in four places Nasik, Dewas and Mysore and In last year, nearly 5000 crores of money were printed. Factors of printing RBI are GDP growth rate, Replacement Cost, Interest rate, Exchange rate, Statistical tools.

Other banks under RBI will be supervised by it. RBI will maintain foreign exchange reserve, In India, 625 billion dollars are there in that reserve. Safety, Liquidity and maintaining is their major role. RBI has many type of exams like manager exam which is much difficult. There are many other banks than RBI. And he said about the exam pattern. It should contain Aptitude, Reasoning, English. We can apply for RBI exams when we are in age of 21 to 28. Scoring 50% is enough to clear. Questions will be like Multiple Choice Question. It has prelims, mains and then interview. We will get job when we write within state also.

SBI is the largest commercial bank in India and 47th largest bank in world. It has many branches throughout the world. Both SBI and RBI has separate portal. We should prepare well to clear this exam and We should have the newspaper knowledge. His daughter also works in a Bank in France. So his family itself a Banking family.

At last, Question and answer session was there. Students had cleared their doubts. And Sir had answered their question patiently and he clarified their doubts and gave more guidance for preparing for bank exams. He has a 33 year experience in the Banking field.
