Three Days Online Faculty Development Programme On “Research Innovations, Patenting & Quality Publication”

Three Days Online Faculty Development Programme On “Research Innovations, Patenting & Quality Publication” has been organized by MCA Department from 26th February 2024 to 28th February 2024. The Session is started with welcome speech by S. Mary Helan Felista, Head of the MCA Department, Fatima College.

Day 1:

The first session of Day 1 of FDP were headed by resource person **Dr. S. J. Kala, Associate Professor & Dean (Research), Fatima College (Autonomous), Madurai** on the topic “Research & Innovations: Need of the Hour”. She stressed on Quality Research. Quality of research is important and for publication in reputed Journal like Nature, SCI Indexed journal which is a systematic drafting of paper and managing own worked data is most important. Need of hour is to work on emerging area of research and multidisciplinary research. Writing a good paper is essential for globally acceptance of your research work. He asked faculty to avoid short cut, as any manipulation of data is danger to society. I am sure that the deliberations of expert resource person from various from IIT's , CSIR and other academic institutions will prove a step forward in Research writing with ethical values

Dr. S. Geetha, Professor & Associate Dean (Research), School of CSE, VIT, Chennai handled the second session of Day 1 on the topic “Innovative Research Ideas in Computer Science”. She introduces the new innovative ideas at the crossroads of different computational intelligence techniques by hybridizing them to serve the society in every possible way. Her speech emphasized research which is an exchange of knowledge and ideas. The speaker enlightened the audience by sharing her knowledge about research ideas in Computer Science.

Day 2:

Kayal Padmanandham, Associate Professor, BVRIT College of Engineering, Hyderabad handled the First session of Day 2 on the topic “Reference Management Tool for Research”. She talked about the importance of citation and shared some very useful strategies to improve the citations and publications in quality journals in the early stage of research career. She has shown participants the practical implications of the statistical tools used in Referencing.

Ms. Dhivya Manivannan, Intellectual Property Rights Attorney handled the second session of Day 2 on the topic “IPR Rights & Patenting”. She talked about the value of Intellectual Property Rights and how to defend them, patenting procedures and patent informatics, patent searches, the role of innovation and invention in academia-industry partnerships, trademark and copyright protection, and do's and don'ts for researchers in the sense of publishing and patenting.

Day 3:

Dr. G. Elizabeth Rani, Assistant Professor, Dept. Of AI & ML, Kalaingar Institute of Technology, Coimbatore handled the second session of Day 1 on the topic “Quality Research Article Quality & Publications”. She exclusively discussed that writing a research paper is the primary channel for passing on knowledge to scientists working in the same field or related fields. He emphasized that publications find a valuable place in your resume, and they showcase your accomplishments and communication skills, he encouraged the participants to increase the number of their publications.

The FDP was conducted in Online mode. The faculties from various colleges and various departments were shown their interest and joined this FDP. Total 77 faculties were participated in the FDP. This FDP was very fruitful and satisfactory to the faculties' curiosity. Overall, this FDP Course was technically and practically sound. For all the Sessions feedbacks were taken from participants and Participation Certificates were provided to every participant. Participants gave good feedback for each day and congratulated co-ordinators and speakers in the end for all the efforts.
